A FEW MAXIMS

Life tests real Character, Not 'til Winter comes do we know that the pine is an evergreen.

Regarding Success, Some men grow, Others only swell.

He who cannot be discouraged cannot be defeated.

Attention, Application, Accuracy, Method, Punctuality and Dispatch are the principal qualities required for the efficient conduct of business of any sort.

Faithfulness to duty will save regrets for lost opportunities.

Cultivate a smile and it will frequently arrive without premeditation.

To keep clean, to do good work, to earn friends, to be happy and bestow happiness, to develop opportunity, to serve where possible and learn not to whine—this is a success. There is no greater. There is no other.

Those who talk without thinking, run more risk—than he who thinks without talking.

Never judge a man by appearance. The man with the biggest goggles doesn't always own the machine.

The biggest tree takes the most chopping, but it's worth the most when it falls.

Fight your vices and keep peace with your neighbors May each year find you a better person.

How well we all get along considering how little we all know.

Most people do what makes them happiest in this world, regardless of the next.

Stop, look and listen at lots of places in life besides a railroad crossing.

Growth in our business is measured by the satisfaction of the Customers we serve.
