At Its Low Price this OLDSMOBILE SIX Sport Touring has no equal!

a SIX Sport Touring at $915

PRODUCT OF GENERAL MOTORS

Take The Engine: Force feed lubrication to every rotating part insures long life. Extra heavy crankshaft, with bearings almost as large as the cylinders. Water cooling spaces surround cylinders, valves and spark plug openings.

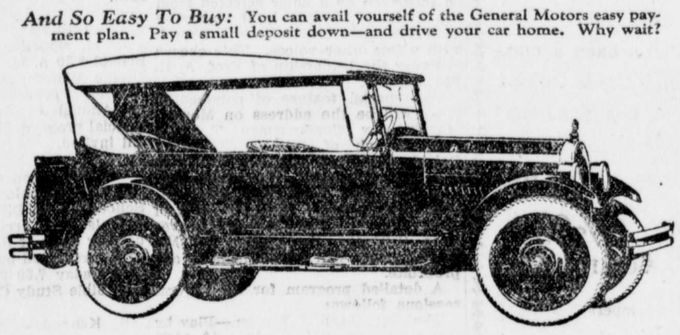

Or The Chassis: Quality units include Delco ignition—the finest disc clutch built—Harrison radiator—the best known chassis lubrication system—unusually long and resilient springs.

Its Correct Design: 110" wheelbase and 2350 lb. weight—the car is light enough for economy's sake, heavy enough to hold the road, long enough to insure comfort on the roughest roads.

Or Beautiful Finish: You can have your choice of finishes—either Duco or Oldsmobile color enamel. Either is far superior to paint.

Or Complete Equipment: This Sport Touring's equipment reads like an accessory catalogue—Tuare steel wheels, oversize cord tires, brown Spanish upholstery, nickeled radiator, Boyce motometer, spotlight, nickeled bumpers, windshield wings, windshield cleaner, rear view mirror, aluminum step plates, guard rails at rear, trunk and trunk rack, etc.

And So Easy To Buy: You can avail yourself of the General Motors easy payment plan. Pay a small deposit down—and drive your car home. Why wait?

Farmers, List Your Repair Needs

It would be hard to find a farmer who at some time or another had not lost valuable time waiting for necessary repair parts. Take this territory and total up the time lost in this way and it will astonish you. And all because repairs are not ordered as early as they should be.

There is no better time than right now—just before the busiest season on the farm—to go over your machines carefully, make a list of repairs you are likely to need and send it to us. With this list in our hands, we can order our stock so as to be prepared to meet every call promptly.

Repair part service is a necessary part of our business. We realize what it means to you in time and money to get what you need at once. Help us to help you by making up your list now and sending it in to us.

A STATEMENT OF FACTS

CONCERNING THE

Educational Requirements for Doctors of Chiropractic in the State of Maryland.

The drugless method of Chiropractic is recognized and licensed by the State of Maryland, in accordance with Section of the State Laws of 1920.

According to law, a separate board of Chiropractic Examiners was appointed by Governor Ritchie, to examine into and carefully note the qualifications of Doctors of Chiropractic, before allowing said applicants to take the rigid examination in Anatomy, Physiology, Hygiene, Gynecology, Pathology, Chemistr y Philosophy, Principles and practise of Chiropractic.

The Maryland Law of 1920 provides that each and every applicant must first be a High School Graduate, and a Three-year graduate of a recognized school or college of Chiropractic.

CHIROPRACTIC REQUIREMENTS AS COMPARED WITH MEDICAL REQUIREMENTS

The Palmer School of Chiropractic of which the writer is a graduate teaches a strict three-year course, comprising 4103½ school hours, and each and every Chiropractor who applies for license to engage in the Drugless Health method of Chiropractic in the State of Maryland must have at least the above amount of school hours to his credit before he is entitled to take the State Board Examination for Chiropractors.

The present medical course comprises 4 years. This does not mean however that every medical doctor **now in practise** is a 4 year graduate of a medical school or college, in fact very few if any doctors who have been in practise for 10 years or moae, are more than 3-year graduates of medical schools. In fact there is considerable agitation on at the present time to reduce the medical course to three years to compete with Chiropractic and other dr igless methods.

The writer has complied with all requirements of law, and is legally entitled to practise his profession anywhere in the State of Maryland.

This statement is published to clarify the minds of the public as to the actual facts concerning Chiropractic. Every Chiropractor in the State of Maryland is licensed to practise, the same as doctors of medicine.

Dr. Margetts of Denver, Colorado, will lecture on Chiropractic in Chestertown, on Monday June 23rd. Be there. Everybody is welcome.

DR. DILL

THE CHIROPRACTOR

3 year Graduate of the Palmer School of Chiropratic, Davenport Iowa.
Licessed by the State of Maryland.
