FARM NOTES

ITEMS OF INTEREST PERTAINING TO AGRICULTURE THAT WILL INTEREST OUR FARMERS.

Kent farming has virtually been at a standstill for the past few weeks, due to the incessant rains. Very little corn has been planted, and this has, in a great measure, rotted in the ground, and will be replanted. From now on farmers will be head over heels in work to catch up.

The number of milk cows in New York State is 28.000 less than the number at this time last year according to the estimates prepared by the United States Department of Agriculture and the New York State Department of Farms and Markets. The official estimate is 1,400,000 milk cows and heifers two years old or older on the farms January 1.

The number of horses on the farms of New York State has declined from 510,000 a year ago to 505,000 this year. The number of sheep in the State has increased from 532,000 a year ago to 543,000 this year.

Here are a few suggestions we have gathered from study and observation:

Begin in a small way and work up.

Buy only pure blooded stock.

Select those breeds best adapted to your needs.

Feed well and give proper care.

Study your flock and improve both care and production.

Study the methods of others who have been successfuf and apply to your flock.

Take some good poultry magazines and keep in touch with the business at large.

Have a library of good poultry books and study them to your good.

Learn to judge good stock both for show and utility purposes.

Don't expect to get rich by just owning a few fowls.

Work and work with a purpose—"Success."

The field for poultry raising was never better than it is today.

The country needs more poultry and eggs every day.

WHAT MY NEIGHBOR SAYS.

Is of Interest to Chestertown Folks.

When one has had the misfortune to suffer from backache, headaches, dizziness, urinary disorders and other kidney ills—and has found relief from all this sickness and suffering, that person's advice is of untold value to friends and neighbors. The following case is only one of many thousands, but it is that of a Chestertown resident Who could ask for a better example?

Mrs. Romie E. Patrick, High St., says: "My back ached and my kidneys acted too freely. It seemed as if weights were tied to my back and were pulling me down. I felt tired all the time. After using one box of Doan'. Pills from Toulson's Drug Store the trouble was entirely gone."

FIVE YEARS LATER, Mrs. Patrick said: "I never miss a chance to recommend Doan's Pills since they cured me of kidney complaint."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mrs. Patrick had. Foster Milburn Co., Mfrs., Buffalo, N. Y.
