OLDSMOBILE SIX

PRODUCT OF GENERAL MOTORS

Is DELCO Equipped!

a SIX at $795 F.O.B. Factory

It's the hidden things that count! As you delve into Oldsmobile Six construction you'll be amazed at the high quality built into *every* part.

Finest Electrical System

Oldsmobile uses DELCO Starting, Lighting and Ignition system—so does a majority of other fine cars—so does Uncle Sam in his airplanes and submarines—so do most of those intrepid drivers who risk their lives on the Speedways of the nation.

One Quality All Through

DELCO—finest unit of its kind—typifies the quality built into Oldsmobile Six from axle to axle! It has the finest clutch in the industry, the best bearings, Harrison radiator, the most resilient springs, the finest bodies, and so on down the line.

A General Motors Product

Only Oldsmobile—with the limitless resources of General Motors at its command—could build such a quality car and sell it for only $795! Before buying any car—investigate this beautiful, smooth-running, economical, powerful and long-lived "Six"!

The G. M. A. C. extended payment plan makes buying easy. All prices f. o. b. Lansing. Tax and spare tire additional.

ROCK HALL, MARYLAND

THE ROCK HALL PULIC SCHOOL ASSOCIATION

The Committee on Resolutions makes the following report:

1. We recommend that every Sunday School make as a part of its organization a Home Department.

2. We recommend that a Teacher Training Class, according to the Correspondence Plan, and a Mission Study Class be organized in every Sunday School.

3. We desire to reaffirm our position on Sabbath observance and commend the work of Mr. W. W. Davis, State Secty., of the Lords Day Alliance We pledge him our hearty support.

4. We recommend that the enrollment of the Sunday School be used as a basis for per Copita tax payment. We, however, believe that on rare occasions a Sunday School might find it impossible to meet the full requirement, and under such condition, we urge that they remit an amount equal to their financial possibilities.

5. Inasmuch as all schools of the county are members of the County Association we feel that it is the conscientious duty of all schools to make an accurate report promptly when they are requested. We urge that the Pastor, Supt. and Secty., recognize it as an important part of their duty to secure the proper return of these reports. It is requested that the pastor furnish the Statistical Secty. of the County Association with the names and addresses of secretaries of his Sunday School so that she can correspond with them direct.

Believing that many schools may be embarrased or confused by the number of items requested we would recommend that they fill in only these items that actually constitute the activities of that school eliminating as far as possible the element of guess and reporting only according to properly kept records.

6. Resolved, That we express our appreciation to the Trustees of the Church for the use of the building and to the Pastor for his untiring efforts in preparing for the convention. To our Pres., Rev. Brown, his state workers and all who have contributed to the success of the convention. Also to the committee in charge of furnishing the bountiful meals to the visitors and in this case we feel that our sense of appreciation should extend to all the people of the community, for surely they must have all contributed liberally in setting before us such a wonderful dinner.

Also to the choir for the uplifting and excellent music.

Lastly to Rock Hall Sunday School and people for the invitation which has brought us to your beautiful town and church.

7. Knowing the unstinted hospitality of the people of Chestertown we take the liberty of suggesting that the next State Convention for the Eastern Shore hold its sessions in that historic county seat.

Oak Flooring

IN THE HOME

Have you ever thought of the many advantages of this high-type flooring? They are many.

Nature has particularly favored this splendid and most substancial of all American hardwoods. Its very name stands for durability, while as a flooring, the natural beauty of the wood is unexcelled.

There is an Oak Flooring grade for every flooring purpose—from public building to private home and from castle to cottage.

A well informed landlord knows that Oak Flooring commands a higher rental, and at the same time attracts a better class of tenants.. The real estate dealer who builds to sell, knows that Oak Floors are his "one best bet.". The really satisfied home owner in ninety instances out of one hundred is living on Oak Floors.

The most convincing endorsement as to the superior merits of Oak Flooring is found in its steadily increasing use for every type of building both private and public.

Farmers, List Your Repair Needs

It would be hard to find a farmer who at some time or another had not lost valuable time waiting for necessary repair parts. Take this territory and total up the time lost in this way and it will astonish you. And all because repairs are not odered as early as they should be.

There is no better time than right now—just before the busiest season on the farm—to go over your machines carefully, make a list of repairs you are likely to need and send it to us. With this list in our hands, we can order our stock so as to be prepared to meet every call promptly.

Repair part service is a necessary part of our business. We realize what it means to you in time and money to get what you need at once. Help us to help you by making up your list now and sending it in to us.
