"THE WONDERS OF SCIENCE"

The skeptic is disarmed and doubt leaves the mind of the believer when each is shown that there never has been a conflict between true science and true religion. The faith of all is renewed and strengthened as they are shown by Dr. Hilton Ira Jones, how the basic laws of science conform to the basic principles of true religion.

Dr. Jones brings to Chautauqua a rare combination of talents. As a scientist he has gained a place of recognized standing among themen of his profession. He has been honored at home and abroad. Chautaqua begins today and continues until Sept. 5.

MAIN CIRCUS BRINGS AUSTRALIAN STARS

On Saturday, Sept. 6 The Citizens of Chestertown Will Have The Opportunity To See Australia's Most Noted Irtists Of The Arena.

A family of eleven, known as the Colleano Circus Stars in their native country of Australia, where the family name has been prominently indentified with the circus for many years recently arrived in New York direct from the London, England, Coliseum, where they have been a feature of the performance during the past year The entire family was trained in the Colleano circus, an Australian institution of long standing. Each is an expert performer in from two to a dozen acts that constitute an Australian circus program. This famous family of artists came to America under contract with Manager Downie to appear as a feature on the program of the Walter L. Main Circus for the season of 1924. They will present a series of their most difficult sensational acts, using special equipment and costumes for each act same as were used in London Coliseum engagement. The Walter L. Main Circus will give its grand free street parade and two performances in Chestertown, Saturday, Sept. 6 and the Colleano Family will appear at each performance.

The circus will arrive from Chester, Pa., Saturday morning, will be unloaded on arrival, and the city of tents will be up and all animals, horses, wagons and equipment in their respective tents early in the day. Three hundred and fifty people are fed in the Walter L. Main Circus cook tent at each meal. There are many interesting sights for the curiosity seeker on the circus grounds and the public is invited to feast their eyes while the show is being placed on the lot ready for exhibition.

At The Century Theatre

At last The event in motion picture events that film fans the world over have ben waiting for!

Rudolph Valentino in his latest and greatest romance, "Monsieur Beaucaire," will be seen on the screens at the Century and Parkway theatres simultaneously during the week beginning Monday, September 1.

"Monsieur Beaucaire," is a new Paramount production directed by Sidney Olcott. It was adapted to the screen from the famous novel by the world remowned writer Booth Tarkington, and the play by that writer and Evelyn Greenleaf Sutherland. Forrest Halsey wrote the screen play.

The supporting cast is made up mostly of stars of the first magnitude including Bebe Daniels, Lois Wilson, Doris Kenyon, Lowell Sherman, Florence O'Denishawn, Paulette DuVal, John Davidson, Ian MacLaren, and Flora Finch.

It is being shown at the Century and Parkway Theatres simultaneously because it is the desire of the Combined Whitehurst interests, operating the two playhouses, to take care of all who wish to see it. The same prices will prevail at both houses.

Josephine Rochlitz, soprano, and Sylvan Levin, pianist, will remain for this week and render a new program of selected compositions in a special musical act.

A fine program of music will be rendered by the Century Symphony Orchestra, the largest in Baltimore, under the direction of the popular conductor George Wild.

Wheat Acreage To Be Larger

An increase of 7.5 per cent, or 2,986,000 acres, in the acreage to be sown to winter wheat this fall in the United States is indicated by 19,000 reports from farmers reporting for their intentions of August 1st are carried out.

If an increase of 7.5 per cent is made this year in the sown acreage from last year, it would make a total sown acreage this year of about 42,919,000 acres, were harvested, there having been an abandonment of 7.6 per cent.

Compared with the pre-war (1909-1913) average annual sowing of 33,582,000 acres, the intended sowing this fall is an increase of 27.8 per cent; and 5.2 per cent less than the average of 45,261,000 acres sown to winter wheat for the 5-year period 1919-1923.

The average annual abandonment of winter wheat acreage for the past 10 years has been 10.6 per cent, the reduction in acreage due to abandonment ranging from 1.1 to 28.9 per cent. If the average annual abandonment should occur this winter, it would leave from the intended sowings about 38,370,000 acres to be harvested next summer, compared with 36,898,000 acres of winter wheat harvested this year, or say 4 per cent more.

BACK BAD TODAY?

Then Find The Cause And Correct It As Other Folks Have.

There's little rest or peace for the backache sufferer.
Days are tired and weary—
Nights bring no respite.
Urinary troubles, headaches, dizziness and nervousness, all tend to prevent rest or sleep.
Why continue to be so miserable?
Why not use a stimulant diuretic to the kidneys?
Use Daon's Pills.
Thousands recommend Doan's.
Read this interesting case:
Robert T. Harris, farmer, R. F. D., No. 3, Chesterfield, Md., says: "My back ached constantly and there was no let-up to the misery day or night. I had sharp catches across my kidneys, and my kidneys acted irregularly. A friend advised me to use Doan's Pills and they quickly stopped the backaches and I could do my work without suffering. There is nothing to take the place of Doan's Pills."

WHY HE DIED !

That's the first question that naturally arises in the minds of intelligent people, when their friends or loved ones are called away to another world.

The answers are many and weird. From the time worn or honored (herat failure) to the modern ailments of the present day.

All based upon the presumption that death was due to natural causes, that could not have been avoided.

Hundreds of thousands die long before their time.

Many loving relatives shed cold tears over the piers, while deep down in their hearts they rejoice because "Uncle" or some relative died and left them some filthy lucre.

Hundreds of "kind and loving relatives" are keeping the older folks from enjoying the benefits of perfect health, with the warning "the treatment is a fake." The sole purpose of the warning being to keep the old folks from getting well.

When the old man dies, the true answer to question "Why he died," is "Because some ignorant or misinformed person told him Chiropractic was a fake—AND HE BELIEVED IT.

Hundreds of persons, from infants to the old folks are enjoying the benefits of Chiropratic, the great Drugless Method of restoring Health, WHY NOT NOW?
