Oyster Season Opens

The oyster season in Kent opened on Monday, Sept. 1, and many were on the flats of the bay and rivers. Many licenses have been issued here.

The money received from the licenses is used for the support of the local police boat, an dany surplus is paid over to theschools of the county. According to many of those in close tuch with the yter business the season must be somewhat advanced before a good idea of the prospects can be ascertainedd, but there seems no reason at this time to fear any failure, because it is said there is a good growth on the beds in the bay and in the rivers.

To Discuss Crab Question

Governor Ritchie has arranged to leave September 8 for a trip to the Potomac river, where he is to confer with Governor Trinkle and other State officers of Virginia on methods for protection of the crabbing industry The Governor will leave on the State steamer Governor McLane, accompanied by Swepson Earle, chairman of the State Conservation Commission. They expect to meet Governor Twinkle at the mouth of the Potomac on a Virginia State Fisheries steamer.

BACK BAD TODAY?

Then Find The Cause And Correct It As Other Folks Have.

There's little rest or peace for the backache sufferer.
Days are tired and weary—
Nights bring no respite.
Urinary troubles, headaches, dizziness and nervousness, all tend to prevent rest or sleep.
Why continue to be so miserable?
Why not use a stimulant diuretic to the kidneys?
Use Daon's Pills.
Thousands recommend Doan's.
Read this interesting case:
Robert T. Harris, farmer, R. F. D., No. 3, Chesterfield, Md., says: "My back ached constantly and there was no let-up to the misery day or night. I had sharp catches across my kidneys, and my kidneys acted irregularly. A friend advised me to use Doan's Pills and they quickly stopped the backaches and I could do my work without suffering. There is nothing to take the place of Doan's Pills."

New Beauty
New Refinement

We haven't changed this car's wonderful chassis in any material way. Refined, of course. But wait until you see the remarkable improvement its new body lines give—the heightened hood and the distinctive new radiator—the cowl lights—the enduring Duco Satin finish—and all the other refinements! And it's low-priced—due to Oldsmobile's participation in the tremendous purchasing facilities of General Motors. It's a *quality* car throughout—see it today.
