

An Old Friend In A New Dress

The Refined Oldsmobile Six is as up-to-date as a Fifth Avenue show-window! And its chassis—well, after a year of use in the hands of thousands of owners, it has demonstrated its right to be continued indefinitely. Improved, of course, but no change in design.

Picture that stalwart chassis—coupled with such distinctive refinements as Duco Satin finish, cowl lights, a higher hood, and a new beautifully designed radiator—and you've got a fair mental picture of a very unusual motor car. But you'll never know the whole story until you've driven the car yourself for three—four—or five years!

Yes, it's low-priced—but that's due to Oldsmobile's participation in the tremendous purchasing facilities of General Motors. It's a car of *stamina*—good for years of active use! Surely you cannot afford to buy any car until you've seen this one!

CECIL OFFICER SHOT.

County Constable Seriously Injured When He Attempted To Make An Arrest.

E. Leland Ott of Elkton, a Cecil county constable, is in a serious condition at Union Hospital, with three shot wonds inflicted by Augustus Carr, aged 23 years, of Bald Friar, in the northwestern end of Cecil county.

For several weeks young Carr had been terrorizing the section of the county where he resides. Warrants were issued for his arrest by Justice Briscoe, of Rising Sun, and sent to Constable Ott to serve. Saturday afternoon the officer left Elkton in an automobile, and arrived at the Carr home. Carr immediately drew out a revolver, and at close range fired at the officer. The first shot struck Ott near the heart, when he fell to the ground, Carr then fired four more shots at the prostrated officer, one of the bullets lodging in Ott's shoulder and another striking him below the ear. The other shots fired by his assailant did not strike Ott.

Carr then fled, and was at large until about 3 o'clock Sunday morning when he was captured in bed at the home of his brother, George Carr, some distance from the scene of the shooting, by Raymond Ott, a brother of the wounded officer, who was one of a party of ten Elktonians that accompanied Sheriff Pierson to Bald Friar late Saturday evening.

NEGRO MOVED TO BALTIMORE

Assailant of Talbot White Woman Taken To City For Protection

Carroll Gibson, 19 year-old negro farmhand who has confessed assaulting Mrs. Norman Baker in her home near Trappe, Md., recently, is safely lodged in jail at Baltimore. Sheriff William H. Hopkins of Talbot county took him there in an auto accompanied by Deputy Sheriff Kimnamon, leaving at the jail four state policemen, summoned from Salisbury.

Sheriff Hopkins made light of the stories wherein he was depicted as quelling a mob of 150 men seeking to break into the jail early to lynch the Negro.

Both Sheriff Hopkins and State's Attorney John North declared that if there had been any meeting of the Ku Klux Klan concerning the case they did not know of it. Mr. North's call upon Judge Atkins in the move to secure a special session of the grand jury to speed the trial of Gibson resulted in the judge promising to consult his colleagues, James Keating and Wickes, going to Centreville for the purpose of seing the former. If a special session is not called the trial will have to go over till November.

While Sheriff Hopkins was speeding to Baltimore the crowd around the jail was augmented by a number from out-of-town, seemingly corroborative of the sheriff's 'tip,' but the presence of the troopers and the news that the prisoner was not there changed the attitude of the throng.

It is true that clean birds are probably the most necessary attribute to success with hens. No young chicks can grow successfully, nor can an adult hen lay profitably, nor can a market chicken put on flesh advantageously, if they must fight body parasites all of the while. Parasites are probably the cause of more unsatisfactory results in the average poultry flock than any other one condition. Summer is an especially bad time for these little beasts because of the fact that they multiply rapidly in warm weather. Keep down parasites.

BACK BAD TODAY?

Then Find The Cause And Correct It As Other Folks Have.

There's little rest or peace for the backache sufferer.
Days are tired and weary—
Nights bring no respite.
Urinary troubles, headaches, dizziness and nervousness, all tend to prevent rest or sleep.
Why continue to be so miserable?
Why not use a stimulant diuretic to the kidneys?
Use Daon's Pills.
Thousands recommend Doan's.
Read this interesting case:
Robert T. Harris, farmer, R. F. D., No. 3, Chesterfield, Md., says: "My back ached constantly and there was no let-up to the misery day or night. I had sharp catches across my kidneys, and my kidneys acted irregularly. A friend advised me to use Doan's Pills and they quickly stopped the backaches and I could do my work without suffering. There is nothing to take the place of Doan's Pills."
