The Third National Bank

OF CHESTERTOWN, MD.

The Only National Bank in Kent County

"THE BANK WHERE YOU FEEL AT HOME."

Where Your Savings Are Safe.

Every Good Citizen Should Have a Growing Bank Account.

Many people have the idea that a "live" town is one where everybody spends freely and saves nothing. Any town where that happened would be "dead" in less than a year.

There can be no growth in a community—no homes or schools, stores or factories—UNTIL SOMEBODY HAS SAVED FIRST.

This Bank's service lies in bringing together these small savings and in using them in part as loans for community development. The role is that of "Big Brother" to this community, using its strength and resources to boost and build up this locality.

You cannot draw any true picture of YOUR OWN successful future which does not have as a background the prosperity of the community as a whole. You may look ahead and see yourself with a good job, a good home, or business or farm. But unless the community is prosperous and progressive, the job will not last long, the business will be bankrupt, and the real-estate will not be worth much per front foot or the farm per acre. The best way for us to succeed as individuals is for us to be good citizens and wide-awake Boosters for Home Interests.

Boost your local community, do your buying locally and do your Saving locally. Build up your bank account to furnish Home Capital for Home Enterprise and improvement.

Join this Bank in this movement. Work with us, and let us work with you—for mutual prosperity, and for the good of our Community. Call at the Bank, let's us talk matters over together.

NOTICE.

The Algren Mfg. Co., of Greensborough, ahs been placing base balls at the homes of people in Denton, Ridgley, Greensborough and Goldsborough for sometime, and as these towns do not supply the demand for this particular article they have decided to consider Chestertown in addition to these towns already producing base balls. The work is light, clean and easy to learn and may be done in your spare time, the company will collect and deliver to your door providing sufficient help is obtained. The necessary tool and material furnished to you free. Further information regarding this work may be had by writing to

To Erect Postoffice Building

Reliable information is to the effect that the erection of the new postoffice building in Chestertown will begin in a week or two. It seems that, in spite of all that could be done by local people, the government officials have decided to move the office The site first selected, that on Cross street, near the depot, has been decided upon as the place where the new postoffice building will be erected. Messrs. L. B. Russell and Lawrence Brown visited Inspector Chambers in Baltimore this week, who made the statement to the effect that the government expected Mr. Brown to erect the building unless he repudiated his contract.

Work On School Progressing

Hardly had the blaze died out at the Chestertown Elementary School on Thursday, when the Kent County School Board and Supt. of Kent School were on the job to have the building repaired. Messrs. Duyer Brothers builders, were secured by the firm of W. S. & A. M. Culp and put a force to work at once. The work is now progressing nicely. The exact damage is unknown.

Campaign Opens At Salisbury.

A Democratic political meeting is to be held at Salisbury, Maryland, on Monday evening, October 6, at 8 o'clock p. m., at the Arcade Theatre. The meeting is to be addressed by the Hon. Newton D. Baker, Ex-Secretary of War and the Hon. T. Alan Goldsborough, member of Congress from the First Maryland District. The meeting is not to be a Wicomico meeting, but an Eastern Shore meeting, and it is hoped that a large delegation of both women and men will be present from every county on the shore.

Steamboat For Chester

Permission to establish a steamboat line between Baltimore and Chestertown, Rock Hall and other points on the Chester river was petitioned on Monday of the Public Service Commission by the Bay Shore-Brightan Excursion Company. The paper was filed by Charles Jackson, its counsel. The Company at present operates the steamer General Lincoln from Light street to Bay Shore. The boat has a capacity of 25 tons of freight and from 500 to 700 passengers. The proposal is that the steamer leave Chestertown at 7 a. m. and arrive in Baltimore at noon. It would leave Baltimore for the return trip at 3 p. m. reaching Chestertown at 8 p. m.

Mausoleum Still in Litigation.

Contrary to the article published in this paper last week, regarding the erection of a mausoleum at Chester Cemetery, according to a request in the will of Mrs. Carrie Wroth, deceased, who requested the same to be erected from funds left by her, Judge Lewin W. Wickes, sitting as a court in the matter, decided that Mr. Thomas G. Wroth could not, as administrator erect the same. It seems that it is necessary for a trustee to be appointed to make the disposition of these funds left by the deceased for the purpose, and not by an administrator. Judge Wickes will, in the future, appoint a trustee. This phase of the matter will then be taken up by the attorneys and argued before the court. Herbert E. Perkins and H. W. Vickers will represent the Cemetery Company and S. Scott Beck will represent Mr. Wroth.

FESTIVAL.

Rock Hall School will hold a festival in the school building Rock Hall, on Saturday, Oct. 18. s27-4t

BAKE.
