The Third National Bank

OF CHESTERTOWN, MD.

The Only National Bank in Kent County

"THE BANK WHERE YOU FEEL AT HOME."

Where Your Savings Are Safe.

Every Good Citizen Should Have a Growing Bank Account.

Many people have the idea that a "live" town is one where everybody spends freely and saves nothing. Any town where that happened would be "dead" in less than a year.

There can be no growth in a community—no homes or schools, stores or factories—UNTIL SOMEBODY HAS SAVED FIRST.

This Bank's service lies in bringing together these small savings and in using them in part as loans for community development. The role is that of "Big Brother" to this community, using its strength and resources to boost and build up this locality.

You cannot draw any true picture of YOUR OWN successful future which does not have as a background the prosperity of the community as a whole. You may look ahead and see yourself with a good job, a good home, or business or farm. But unless the community is prosperous and progressive, the job will not last long, the business will be bankrupt, and the real-estate will not be worth much per front foot or the farm per acre. The best way for us to succeed as individuals is for us to be good citizens and wide-awake Boosters for Home Interests.

Boost your local community, do your buying locally and do your Saving locally. Build up your bank account to furnish Home Capital for Home Enterprise and improvement.

Join this Bank in this movement. Work with us, and let us work with you—for mutual prosperity, and for the good of our Community. Call at the Bank, let's us talk matters over together.

Important Case Heard

A most important local case was heard before Judge Wickes yesterday, concerning the right of Mr. Eshman to build an addition to the Voshell House. The commissioners had denied Mr. Eshman this right and building was discontinued about a year ago. The claimed his building was on town property. S. S. Beck, Esq., represented Mr. Eshman, while H. E. Perkins, Esq., represented the town.

Hog Cholera At Kent Island

Kent Island's winter supply of ham and bacon, not to mention fresh sausage and pork chops, is being seriously menaced by a threatened epidemic of hog cholera, according to official advices issued by W. H. Wright, veterinary inspector of the Bureau of Animal Industry, United States Department of Agriculture.

Dr. Wright characterizes the outbreak as "already having assumed serious proportions," and is fearful that unless prompt steps are taken to check the contagion, hundreds of fine Kent Island porkers may become victims of the malady, with the attendant economic and financial loss to many swine raisers.

Coming Next Week

About Dr. F. W. Johnson's travelogue on Canada, an illustrated lecture to be given in William Smith Hall, Thursday night at 8 o'clock, Washington College has the following words of commendation:

"Let me express to you on behalf of the Traffic Club of New York City, its appreciation of your splendid and most interesting lecture on 'Canda.' I assure you that your lecture was thoroughly enjoyed, and take pleasure in saying that a great many of the club members took special pains to express their appreciation of the opportunity of hearing you."

R. H. Wallace, President of Traffic Club, and General Passenger Agent of New York City, Erie Railroad.

Celebrate Jewish New Year.

Blasts blown upon the ram's horn at special sunset services in the Jewish temples and synagogues last night welcomed in the Jewish New Year, 5685. Rosh Hashana, as the day is called, will be observed today and tomorrow, closing at nightfall tomorrow. The holiday is strictly a religious one and its observance dates back to the times when the Jews were in Palestine. The date is dependent on the moon, according to Hebrew scholars. Sermons upon the New Year, progress of the Keren Hayesod movement designed to re-establish Palestine as a haven for poor and oppressed Jews in Eastern European countries, and religious progress during the year just past, were made by rabbis.

Judge Keating Honored.

Judge Thomas J. Keating, of Centreville, last week was named by Governor Albert C. Ritchie as the Eastern Shore member of the Marlyand Judicial Council, provided for by the Acts of the 1924 Legislature, Chapter 549. The selection of Judge Keating to this important and responsible judicial position is an unusual honor, in view of the comparatively brief period he has occupied the bench in the Second Judicial Circuit. It is a further compliment to his recognized ability that he was the unanimous selection of all the judges comprising the various circuits of the Eastern Shore.

The functions of the council are continuous study of the methods of practice and procedure in the courts of Maryland, to submit suggestions from time to time for the consideration of the judges and to report its recommendations to every session of the General Assembly.
