Engines

Priced Now

19%

below 1913 level

If you need an engine, if you can use more power, read this message.

The Fairbanks-Morse "Z" Engine, famous for its dependability and economy of operation, is now priced 19 per cent below the 1913 Fairbanks-Morse advertised engine price.

This is the genuine "Z" engine. More than 1,250,000 horsepower in use today prove it the best for farm use.

Quantity production, engineering genius, and care in manufacture have made this price reduction possible. The tremendous saving is passed on to you.

Come in and see this engine. It is the cheapest "hired help" you can buy. Let us prove it!

A Good Story.

One of Irving Cobb's best stories concerns an appraiser who was sent to a home to appraise the contents. The entries in his book halted when the appraiser came to a table on which a full bottle of Scotch stood, then continued.

"One bottle of old Scotch whiskey, partly full."

"One revolving Turkish rug."
