COURT NEXT WEEK

Court will Likely Be A Very Short One —One Murder Case On Docket

The October term of Circuit Court will convene in Chestertown next Monday morning and Clerk of the Court Robert R. Ayres reports very few trials of importances on the dockets, indicating a short session.

The most important cases locally are the suit of Sheriff Goodman against Richard Haggerty of Kennedyville, for alleged injuries sustained by a son of the sheriff in an automobile accident on Washington Avenue, Chestertown, last spring , and a murder case in which Penn Butler is held charged with killing his uncle, Reuben Butler, with a baseball bat after the latter had shot Penn Butler with a pistol.

Ex-States attorney, H. W. Vickers will defend Butler, while States attorney Beck will prosecute the case.

Judge Lewin Wickes has excused the following jurors from service: John P. Ahern, of Millington; Elwood Whaley, Alwyn M. Culp, and E. Spedden Graves of the Chestertown; and J. Page Gale, of the Sixth District; and has drawn the following to serve in their places: Jesse E. Ireland, of Galena; Robert Moffett, William S. Carroll, and Phillip G. Wilmer, of Chestertown, and Walter B. Barnes, of Failree.

Bond M. E. Church

Interesting and well attended services were held in Bond Chapel last Sunday. The inspiring messages brought to us by our Dist. Supt., Rev. O. E. Jones, at the morning service; and Rev. J. T. Rowlinson, of Cecilton, at the evening service, were enjoyed by all. We were glad to have the assistance of Miss Helen Baxter, of Chestertown, at the evening service; we were also glad to have with us some folks who worshipped here in the years gone by. Flowers helped to make the interior of the church more beautiful, which had already been made attractive by the recently completed repair work.

Some 35 persons attended the meeting of Bond Church Aid last Thursday evening at the home of Mr. and Mrs. B. F. Shinn. After an interesting business meeting, the musical program consisting of a violin solo by Miss Frances Morris and instrumental solos by Miss Helen Shinn, and Mrs. James Newnam, Jr., were given.

WEDDINGS

Miss Lois M. Ashley, of Baltimore, daughter of Mr. and Mrs. Charles H. Ashley, of Piney Neck, Kent County, became the bride of Mr. Wm. T. Henry, of Chestertown, at Elkton on Saturday last, October 11. Rev. Mr. Weaver, performed the matrimonial sermon, which made the young couple man and wife.

After the ceremony, Mr. and Mrs. Henry motored to Philadelphia in his car where a fine honeymoon trip was enjoyed.

The bride has been one of Baltimore's popular young school teachers for several years. The groom is the linotype machine operator in the Transcript office. He has spent practically all his life in Chestertown and has many friends here. During the World War Mr. Henry was one of Uncle Sam's boys on the battlefields of Europe, where he saw considerable action on everyone's lips. He was on the front when the Armistice was signed.

The Transcript joins with a host of friends in wishing Mr. and Mrs. Henry a most happy and prosperous journey on the matrimonial sea.

The marriage of Miss Anna Mary Cornelius, daughter of Mr. and Mrs. Frederick H. Cornelius, of Lynch to Mr. H. Earle Cooper, took place on October 16, 1924 at the home of the bride, the immediate families being present. The bride is a graduate of the West Philadelphia Hospital for Women. The groom is employed in the Culp Hardware Store and is well known in Chestertown. Upon their return from a wedding trip to Niagara Falls and other places of interest, they will reside at 219 Mt. Vernon Ave., Chestertown where they will be at home after November 16th.

IN MEMORIAM

Bryden—In sad but loving remembrance of my dear husband, who departed this life six months ago today April 8, 1924.

Sleep on dear husband, and take your rest,
God called you home, He thought it best,
He saw your suffering here was great,
And opened wide the golden gates.
I stood by your bedside, dear husband.
And saw your life depart,
And when I knew you were dead
It almost broke my heart.

His loving Wife, Clara.

We have only your memory dear father
To remember our whole life through,
We will never forget you,
We will always think of you.

Children
Mrs. C. M. Bryden, Rock Hall

Bryden.—In loving rememberance of my dear son, Gilmore.
From this world of pain and sorrow,
To the land of peace and rest,
God has taken you, dear son,
Where you have found eternal rest.

Mother.
Mrs. Mary D. Bryden, Rock Hall, Md.

In loving remembrance of my dear husband and father James G. W. Harrison who departed this life eleven years ago October 6, 1913.

There is never a life without sadness,
There is never a heart free from pain
If it seeks in this world for its solace,
It seeks for it ever in vain.
So when to your heart cometh sorrow,
The first and the deepest you've known,
'Tis the touch of God's sickle at harvest
Since He reaps in the fields He has sown.

By his Loving Wife.

Today recalls the memory
Of our father gone to rest,
And the ones who think of him today
Are the ones who love him best.
From a world of pain and sorrow,
To a land of peace and rest,
God has taken you dear father,
Where you found eternal rest.

By his Loving Children

WASHINGTON COLLEGE

Dr. F. W. Johnson spoke to the student body at the college Thursday morning at chapel. His oreme was service. He was able to make this old subject intensely interesting. Among other things he said and proved by figures was that the consumption of opium in the Uunited States is about five times as much per person as is used in any country in Europe. He appealed to the students to take an interest in these things and to strive to change the alarming conditions.

Prof. Snider addressed the Adelphia Literary Society Monday night using as his topic "Bluff." He made his speech exceedingly interesting by repeating many humrous instances that he had experenced in this conection. Among other things he said that a good bluffer was admired but that he was seldom found. He said that there was little use trying to bluff for you are only fooling your self.

Perhaps the most unusual and the most appreciated number of the program this week was a trombone solo played by McMenimum. He played a number of classical selections that to most of the gathering were entirely unheard of in connection with the slide trombone.

The Adelphia is trying to create a greater interest in their programs by having each class conduct a program, using talent from their classes to give the entertainment of the evening.

The Mount Vernon was entertained this week by a piano solo given by Miss McWhorter. The main event of the evening was a talk by Prof. Hart. His topic was. The Difference Between a Job and a Career.

IS CHIROPRACTIC A MODERN MIRACLE?

Many desperate sufferers who regained their health and vitality completely through Chiropractic after all other methods had failed are inclined to believe so. But the fact is that Chiropractic is the natural way of healing--no drugs, no dosing just helping nature, the greatest of all doctors, to fill every fibre of a sick body with bounding, joyous health.

How Chiropractic Works

All pain is in the nerves. The nerves give feeling and power of motion of the body. When all the nerves do the work they're supposed to do, the body is completely healthy. Whenever sickness comes, it means that something is preventing the current of nerve force from running along the nerves to the parts of the body affected. Now, the nerves start from the spinal cord in the spinal column, the individual nerves come out between the little bones of the spine and run to all parts of the body, carrying the nerve force that means health to every part. But some times some of the little spinal bones get out of place and press against certain nerves coming out of the spinal column.

When you step heavily enough on a hose of water you stop the flow of water. In the same way, the pressure of the little misplaced spinal bones on the nerves stops the current of nerve force. Then disease develops in the parts of the body normally nourished by the pressed nerves. Trouble with stomach, lungs, heart, liver, kidneys, throat, nervous, rundown conditions, in fact all sicknesses that are usually treated with dosing of drugs are caused by pressure of the spinal bones on the nerves.

CHIROPRACTIC WORKS WITH NATURE—The Chiropractor removes the cause of disease with skillful fingers, trained by long practice to find misplacements of the little spinal bones, he swiftly and painlessly adjusts them to their normal position thereby removing the pressure from the nerves. Nature then sends nerve force along the nerves to the ailing part of the body, and health returns through nature's own healing.

WHAT CHIROPRACTIC MEANS TO YOU— If you have dosed yourself with drugs to no avail. If you are suffering from any kind of sickness that other methods have failed to relieve, don't despair. Come to me, I will show you what Chiropractic skillfully done, will do to bring glowing health, vitality and vigor to you.

DR. DILL

THE CHIROPRACTOR
