Many Chestertown Folks Are Showing How To Avoid Needless Suffering

There's nothing more annoying than kidney weakness or inability to properly control the kidney secretions. Night and day alike, the sufferer is tormented and what with the burning and scalding, the attendant backache, headache and dizziness, life in indeed a burden. Doan's Pills—a stimulant diuretic to the kidneys—have brought peace and comfort to many Chestertown people. Profit by this Chestertown resident's experience:

Mrs. S. Pfeffer, 102 Cannon St., says: "I have used Doan's Pills at different times when my kidneys are troubling me and they have never failed to give relief. The least cold I took settled on my kidneys and my back became weak and painful. Mornings I felt dull and sluggish and my kidneys acted irregularly. Doan's Pills were the right remedy for me and soon put a stop to the baskaches and other signs of kidney trouble."

WASHINGTON WINS ANOTHER—PLAY ALBRIGHT COLLEGE TODAY.

Washington College will play Albright College today at Myerstown, Pa., Washington should win.

Washington College won a hard-fought football game from Haverford College at Haverford, Pa., Saturday, 6 to 0.

The only score of the game came toward the end of the first quarter, when Cavanaugh, the visitors' quarter-back, threw a long forward pass from beyond the middle of the field to Carroll, who ran the remaining 30 yards for a touchdown.

Washington outplayed its opponents most of the game, but the Scarlet and Black eleven tightened and held when its goal line was threatened.

Billo ran back the opening kick-off 44 yards to midfield. After one first down, Haverford hinged and the contest for a while was turned into a punting duel. Cavanaugh's long pass scored for Washington before the quarter ended.

The second period showed Haverford's strongest offensive. Twice Coach Harman's men held their opponents for downs on the 15-yard line, and brought the ball back to midfield on straight plays. The first time, Washington intercepted a pass and the second time, after Billo had torn off 17 yards around right end, the visitors took the ball on downs.

The third quarter produced another punting contest, with Billo and Covanaugh kicking equally well. Neither team made a first down.

In the last period, Webster, the Scarlet and Black eleven's star passer, was sent in as a final resort. All of his long passes were either batted down or caught by Washington's secondary defense.

In the closing minutes of play, the victors threatened to score again, but Haverford held at the 10-yard line as the game ended.

Percy D. Haughton, head football coach at Columbia University, founder of the famous Haughton system at Harvard and generally regarded as one of the foremost exponents of the gridiron sport, died Monday afternoon at St. Luke's Hospital at 5 o'clock, one hour after he was stricken with acute indigestion at Baker Field while directing the work of the squad. His sudden death came two days after the Columbia eleven had administered a crushing defeat to Williams College.

Coach Tom Healey's Loyola team was beaten by Johns Hopkins College Saturday 87 to 0.

Lovers of football are looking forward eagerly to Nov. 15, when Western Maryland will play W. C. on Washton Field. Western Maryland has a good team, as well as Washington, and the game should draw well and be well worth seeing.

Eddie Keenan is still the backbone of the team. Eddie would be an asset to any football squad.

Carroll is going good these days. Fleet of foot, strong and willing, he is always dangerous to an opposing team.

Washington College has the best backfield in the recent history of football at Washington College. Cavanaugh, quarter, tears through the line as if bent upon annihiliation; Galvin weighing but 140 has the driving power of 185 and tremendous speed; Dumschott, always fast and aggressive, is a seritable whirlwind; while Negri has both speed and weight and aggressiveness. If Washington's line was as good as its backfield, the College would have a football team equal to any of the smaller Colleges of the Country.

BETTING ON ELECTIONS

The attention of all persons is particularly called to the following sections of 36 Code of Public Laws of Maryland:

Sec. 48. Any deposit of money in any part of the State as a wager or bet upon elections in this State or elsewhere shall be forfeited and paid over to the County Commissioners of the county where deposited for the use of the county, and if deposited in the city of Baltimore, to the Mayor and City Council.

INSTRUCTIONS TO VOTERS

1. To vote. Enter room, step up to guard rail, give name and registered residence to the Judges. Wait until your name is found upon the registers, then get ballot from the judge in charge of the ballots. See that he has written your name and number on the coupon attached to the ballot and his own name or initials on the back of the ballot itself.

2. Upon receiving your ballot retire to one of the booths or compartments and prepare your ballot by marking with an indelible pencil after the name of every person, or persons for whom you wish to vote, in the square provided thereof, a cross-mark, for example (X); and in case of a question submitted to a vote of the people, by marking likewise in the appropriate square a cross-mark (X) after the answer you desire to give. You should be careful to make no mark on the ballot other than the cross-marks within the squares.

3. In marking the ballot you may take with you into the polling place any written or printed memorandum or paper to assist you in preparing your ballot, except a facsimile of the ballot to be voted. You must prepare and dsposit your ballot without undue delay, Before coming from behind the curtain in front of your compartment you must fold your ballot in the same way as it was folded when you received it, so that the marks which you have made upon it shall be entirely concealed. You then hand your folded ballot to the judge at the ballot box, give him your name and registered address and wait until he tears off the coupon containing your name and number, and strings it, and deposits your ballot in the ballot box. You must then leave the polling room and can not again go behind the guard rail during the day.

4. A voter must not go in any compartment occupied by another or converse with any other voter while engaged in a compartment, nor can any voter occupy a compartment more than seven minutes if others are waiting.

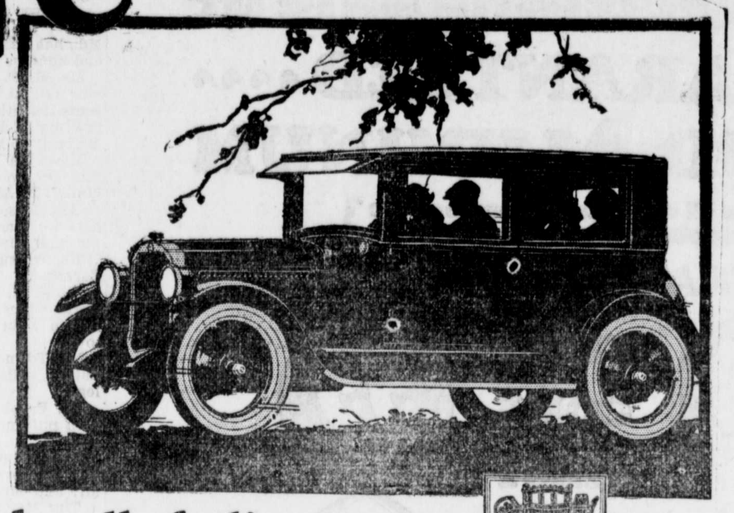

5. You must not take any ballot outside the guard rail. If you spoil a ballot you must deliver the spoiled ballot to the judge in charge of the ballots and receive another from him. If you spoil three ballots you lose your vote.

6. A voter who is physically disabled from marking his or her ballot must make affidavit to that effect, if he or she desires assistance. The two polling clerks, after such affidavit has been made, can accompany him or her into one of the compartments and there mark his or her ballot as he or she instructs them, marking only the names of the candidates whom he or she shall name. The clerks are not allowed to read the ballot to him or her.

7. Any voter who shall allow his or her ballot to be seen by any person with the apparent intention of letting it be known how he or she is about to vote; or who shall place any distinguishing mark upon his or her ballot, or who shall make a false statement as to his or her inability to mark his or her ballot, or who shall interfere or attempt to interfere with any voter when inside the enclosed space in the polling room; or when marking his or her ballot, or who shall endeavor to induce any voter before voting to show how he or she marks or has marked his or her ballot, shall be punished by a fine of not less than ($5.00) dollars nor more than one hundred ($100.00) dollars, or by imprisonment in jail for a period not exceeding sixty (60) days, or by both fine and imprisonment, in the discretion of the Court.

EVENINGS OF SOLID COMFORT

What brings more real enjoyment than long winter evenings beside a cozy fire—reading, playing games, or just talking?

What is more convenient than to slip out of bed on cold mornings, open the draft and in 10 minutes have a warm room to dress in?

These are only two of the advantages of a Beaver Oak Hot Blast Heater.

It's a handsome stove that radiates comfort and good cheer. It's built to give heat and lots of it. The hot blast feature burns all the gas adding 25 to 35 per cent. to the heat you get from your coal and incidentally cutting your coal bill about a third.

Every door and every joint is machine ground to fit air tight and every draft screws up tight so that no air currents can seep in to interfere with the proper burning of your fire.

CHIROPRACTIC PLAYS A PART

In the World's Record Transcontinental Flight.

Landing at Mays Field, near Chicago, the first thing Lieutenant did was to send for a Chiropractor.

In the hop off between New York and Washington Lieutenant was taken with a rigid contraction of the neck muscles. Instead of apply for relief when he reached Washington, he proceeded to Chicago and called for Dr. A. M. Foster, a chiropractor who was formerly a physician of the old school of medicine.

The Lieutenant obtained almost immediate relief, and was ready to hop off again an hour later.

Commenting on the fact that the newspaper refrained from mentioning the incident Dr. Soster said, "If I had broken the Lieutenant's neck every paper in the U. S. A. would have given me a beautiful writeup on the front page." However when chiropractic does sometring meritorious, it is quickly hushed.
