THE TRANSCRIPT

THE RESULT OF the election on Tuesday, while not surprising, was disappointing. However the Nation has spoken and all good lawabiding citizens should submit to that voice and should lend their aid in helping those in power to give to the American people what is due them. The Republican party is in full control of every branch of our national government and the responsibility of its conduct rests upon them. The election of Hon. T. Alan Goldsborough to Congress from this Congressional district is most gratifying to his constituents and his large majority over his opponent was a deserved compliment for his faithful and efficient services rendered during his two previous terms. He has our best wishes.

Kent Is Democratic!

Rolls Up Big Majority For Congressman Goldsborough

COOLIDGE AND DAWES ELECTED

Republicans Win Presidency and Vice-Presidency in Big Sweep

MARYLAND ELECTS FOUR DEMOCRATIC CONGRESSMEN.

In the election throughout the nation Coolidge was elected President of the United States and Dawes Vice-President over Davis and Bryan, Democrats, by a majority, which is between 8,000,000 and 9,000,000. The Republicans will have about 367 electoral votes. Davis and Bryan were second in the triangular dash for the White House with 136 electoral votes. LaFollette ran a bad third, every state except his own repudiating his doctrines. More voters trooped to the polling places and dropped their ballots Tuesday than ever before in the history of the nation.

Congressman T. Alan Goldsborough, after representing the people of the Eastern Shore of Maryland for two terms in the Lower Branch of the United States Congress in a most capable and satisfactory manner, was returned with a handsome majority in Tuesday's election.

In Kent County he received a majority of 899 over Mr. Phoebus, his opponent, while his majority throughout the District totaled about 5000.

In the presidential contest, Davis and Bryan were victorious over Coolidge and Daws by about 700 majority in Kent county, the Democratic presidential candidates carrying the Eastern Shire by a good margin.

The Democrats in Maryland elected four Congressman and the Republican two, as follows:

First District, T. Alan Goldsborough, Dem.

Second District, Millard E. Tydings, Dem.

Third District, John Philip Hill, Rep.

Fourth District J. Charles Linthicum, Dem.

Fifth District, Long term, Stephen W. Gambrill, Dem. Short term, Stephen W. Gambrill, Dem.

Sixth District, Frederick N. Zihlman Rep.

Maryland was carried by the Republicans by a majority estimated at about 9,000.

The constitutional amendment permitting the general assembly to enact legislation providing for aid or adjusted compensation to war veterans was carried overwhelmingly, the proposition having a majority of about 42,000.

Geo. G. Pennington, manager of The Penson Construction Co., of Kennedyville, Md., has contracted with the Supplee-Wills-Jones Co., to remodel their milk plants throughout the county by placing therein sanitary glass tanks to hold the milk which will be run into glass tanks in cars for delivery to the cities in place of the tin cans that are now being used. The changing over from the tin cans to the glass tanks will cost several thousand dollars. This method of delivering milk to the city will assure the city patrons better and cleaner milk.
