Roasting the Turkey is Only a Small Part of Getting the Thanksgiving Dinner

There's the dressing and gravy, the potatoes and other vegetables, the puddings and pies and cakes, and the cranberry sauce. Getting up such a meal is a big task and you owe it to yourself that you have every kitchen utensil which will help you perform the task with the least effort.

Perhaps You Need a New Roaster

The Lisk is a dandy, enameled, self-basting roaster. Not a crease or crevice to collect dirt or germs. Easy to keep sweet or clean. Large enough for two chickens or ducks and any modest sized turkey.

Sharp Carving Knives

A sharp knife aids greatly in serving a perfectly roasted fowl.

Pumpkin Pie!!!

Pie pans. either tin, enamel, aluminum or Pyrex.

Long-handled spoons and forks are needed in cooking and "taking up" large quantities of food.

Egg Beaters and Cream Whip quickly makes meringue or whipped cream.

Pyrex

Cake plates and casseroles give reliable help in reducing the work of meal preparation and dish worhing. Bake and serve from one dish.

Need a Teakettle

Plenty of hot water is always necessary for efficient meal-getting. Aluminum nickel or enamel.
