CHRISTMAS GREETINGS FROM OUR MERCHANTS

The Transcript goes to its host of readers this week laden with news items in the shape of finely illustrated advertisements from many merchants and other classes of business. Every page of this paper is talking to you and offering you propositions worthy of your attention, because they give you valuable suggestions. Do not pass these advertisements lightly by but read them and profit by what they tell you. Articles from a pin to an automobile can be found among the suggestions presented. These merchants have gone to the expense of purchasing stocks of goods at large sums of money for you and they should be patronized.
