Found Deer On Ice.

Mr. John Anderson, the Cecil County Game Warden, left Thursday morning in a truck for the State Game Farm at Gwynbrook, Md., with a fine female wild deer, to be placed on the farm along with quite a lot of others there for breeding purposes. The farm contains 500 acres and furnishes quite a lot of game. There is quite a lot of deer in Cecil Co. The deer was rescued from the ice, near Turkey Point, by Mr. George Finn and turned over to Mr. Anderson. The Game Department sent Mr. Finn a good reward for same.

I would not feel that Christmas was complete without sending greetings to my old friends and patrons.

May this Christmas be a most happy one, full of Christmas cheer and all those good things which makes Christmas the most wonderful holiday season for us all. I sincerely wish that the year 1925 will be the most prosperous one Kent and Queen Anne counties has ever experienced.
