THE TRANSCRIPT

Entered at the Postoffice at Chestertown, Md., as second-class matter.

Governor Ritchie and Conservation Commissioner, Swepson Earle are to be congratulated upon the successful manner in which they have handled the oyster problem with the Chicago Health authorities, and brought about so prompt a settlement of what promised to be a most serious and destructive situation to the oyster industry of the Chesapeake Bay. The best evidence that the Chicago health officials are satisfied that the Chesapeake Bay oysters do not contain typhoid germs, is that they ate them while on an inspection tour of the bars and pronounced them delicious. The Chesapeake Bay oysters are among the finest in the United States and are shipped and consumed in large quantities in the West as well as in the Eastern markets. The State Board of Health have pronounced them pure, therefore their purity should not be questioned.

Ducking Season Over

The ducking season is over in Kent, and canvas backs by the thousands are sporting about as if in Celebration of the event. To them who haven't been getting many ducks, just as it was to the hunters who didn't get many cotton tails or many quail, the season just closing won't be one that they will chalk down in their pages of joyful thoughts. Ducking is an expensive sport at best and it is more than expensive when one hires or maintains an outfit and then doesn't get the ducks. It should be said, however, for those who didn't get ducks, the cause didn't lie entirely with the canvasbacks, the redheads and the other members of the duck family. Never, from reports both here and afar, have there been more ducks than there have been this year, not even in the days when "father was a boy." And neither has it been the fault of the duckers. Adverse weather conditions too little wind, too much fog, or too much ice have been contributing factors.

Massey Farmers Complete Plans

Massey local of the Kent County Farm Bureau has adopted its program of work for the year with the following leaders:

Thomas J. Quinn, for tomatoes; R. B. Johnson, for poultry; L. Lester Newnam for hogs; E. Thomas Massey, for maketing; H. C. Robinson and Henry T. Caldwell for dairying; J. M. Rowan for wheat; Joseph Edwards for sugar corn; C. H. Hemphrey, for sugar corn.

At the monthly meeting County Agent Horace B. Derrick and Farm Bureau Secretary William G. Smyth, gave their impression of the Cambridge farm meeting, while Samuel J. Johnson and C. H. Hemphrey made reports concerning the Cambridge tomato meeting.

The local will hold a corn show and soil testing demonstration at an all-day meeting on Wednesday, Febru-

Celibrated 65th, BIRTHDAY

Mr. John E. Matthews celebrated his sixty-fifth birthday at his home on Cross Street Sunday January 25th, it being not only the anniversary of his birth, but also that of his daughter Mrs. Jessie E. Blakney as well as his niece, Miss Lillian Matthews of Washington D. C. Among the guests present, who were royally entertained at dinner were: Mr. and Mrs. John E. Matthews, Mr. and Mrs. Morgan Matthews and son Harry Matthews and Miss Irene Swartz of Baltimore, Md., Mrs. Jessie E. Blakney and Miss Lillian Matthews of Washington, D. C., Mr. and Mrs. W. A. Voshell of Centreville. Md., Mr. and Mrs. Thomas Jones of St. Michaels, Md., Mr. and Mrs. William Blakney, Mr. and Mrs. C. M. Newcomb and daughter of Chestertown.

Big Sale Now On

Vansant & Newsome, dealers in men's wear, at Chestertown, announce the opening of their big annual selling event Saturday last. This sale which offers special inducements in men's suits and overcoats, will last ten days and the management states that it is a legitimate profit sharing event, launched for the purpose of clearing their winter stock, to make room for the new spring purchases that will soon arrive.

All of the articles advertised are priced at around cost, yet the best bargains seem to be in men's suits and overcoats. Two big specials the firm are pushing are a suit for eleven dollars and an overcoat for eleven dollars Both of these numbers are expected to move in the first few days of the sale and all regular patrons are requested by the management to come early so that they will be sure to get theirs.

Vansant and Sewsome sales have always been recognized as being four-square. Nothing is advertised that is not sold. And nothing is advertised in any other manner than what it is. The sale includes only the regular stock. The management never buys cheap merchandise special for the event, a parctice quite common these days. Advertisement.

NOTICE.

After ten years of experience on the road with the International Harvester Co., as an expert on Gas and Kerosene Engines, I am now ready to give the public the best of service. Work done promptly. Phone Still Pond 1.

THE NOLAND-BENNETT-RUSSELL COMPANY

On page four of this issue of The Transcript will be found a large advertisement for the Noland-Bennett-Russell Co., describing the "New Chevrolet." Neither this firm nor the "New Chevrolet" need any introduction from us. Both of them have been weighed in the balance scales of the years and have been found "not wanting." Not only does this firm handle the Chevrolet car but they are also exclusive agents for the Buick car in this section and have sold them, in all styles, almost without end in numbers, and they have been found satisfactory. This firm also handles the well-known Texaco gasoline, recognized as among the best used among local motorists, who know what good gas is. This service to the public rendered by this firm is a recognized fact, and it is a pleasure for motorists to go there. Our readers who are contemplating the purchase of an auto this winter or spring should go to the above-named firm's big garage on High St. and look over these two splendid cars, the "Famous Buick" and the "New Chevrolet." At any rate, read their advertisement on page four and you will learn something about cars that will interest you.

Stop Night Coughing This Simple Way

People who have persistent, annoying coughing spells at night, and who through loss of valuable sleep are weakening their systems and laying themselves open to dangerous infections, can stop their distressing trouble promptly by a very simple treatment. Hundreds who have hardly been able to rest at all for coughing, have gotten their full night's sleep the very first time they tried it.

The treatment is based on a remarkable prescription known as Dr. King's New Discovery for Coughs. You simply take a teaspoonful at night before retiring and hold it in your throat for 15 or 20 seconds before swallowing it, without following with water. The prescription has a double action. It not only soothes and heals soreness and irritation, but it quickly loosens and removes the phlegm and congestion which are the direct *cause* of the coughing. The result is that you usually sleep as soundly as a babe the very first night, and the entire cough condition goes in a very short time.

The prescription is highly recommended for coughs, chest colds, hoarseness and bronchitis, and is wonderful for children's coughs and spasmodic croup—no harmful drugs. Economical, too, as the dose is only one teaspoonful. It is on sale at all good druggists. Ask for

AT 11.30 A. M.,

certain School House properties in the towns of GALENA and EDESVILLE and will also offer at public Sale to the highest bidder IN THE TOWN OF STILL POND, ON THE OLD STILL POND SCHOOL HOUSE PREMISES ON

Tuesday, Feb. 10th, 1925,

AT 3.00 P. M.,

the following described properties:

NO. 1

All That Lot of Land

heretofore used as the Galena Public School adjoining the properties of Samuel G. Caldwell and others, situated on the State Road leading through Galena towards Georgetown, having a frontage on said State Road of 56 feet 8 inches, being irregular in depth, the rear side being 78 feet 4 inches. This property was formerly known as The Shrewsbury Academy and is improved by a two story frame building being approximately 27 x 51 feet.

NO. 2

All That Property

known as the Edesville Public School being situated on the right-hand side of State Road leading through Edesville to Rock Hall, having a frontage on the said State Road of 105 feet 8 inches and being irregular in shape. This property is improved by a two-story frame dwelling approximately 20x30 feet.

NO 3.

All That Property

known as the Still Pond Public School, the dimensions of which are 180x120 feet and more particularly described in a deed from John F. Beeks and wife to the Board of County Commissioners of Kent County, dated July 14th, 1873, and recorded among the Land Records for Kent County in Liber D. C. B. No. 5, Follio 208 etc. This property is situated in the heart of Still Pond and is improved by a two story frame dwelling approximately 27 X 51 feet.

The above described school house properties will be offered at the time and places above named to the highest bidders for cash. Title papers including description and plots of same may be inspected at the office of the School Board.
