Alumni Association Entertained

The Philadelphia Chapter of the Washington College Alumni Association were entertained by Mr. and Mrs. John S. E Pardee, at their home in Collingswood, New Jersey, on the evening of January 31st. The host and hostess proved to be charming entertainers. Bountiful refreshments were served. An interesting feature of the evening was a large cross-word puzzle which taxed the gray matter of the guests to the utmost. Mr. Tull, with Mr. Coulbourne a close second, won the first prize, and Miss Hickman, the second.

Among those present were, Mr. and Mrs. Simeon Van T. Jester, Mr. and Mrs. Rudolph Tull, Mr. and Mrs. John I. Coulbourne, Mrs. Lillian B. Brice, Miss Maude O. Hickman, Miss Mary Benton, Harry Pringle Ford and William J. Bratten. Suitable resolutions were adopted in memory of the late James E. Ellegood, the oldest alumnus of Washington College, whose tragic death on January 25th, was a shock to all who knew and honored him.

Truth Crushed to Earth Will Rise

Sometime ago a testimonial was published in this paper, telling of the remarkble recovery of a Kent county lady of an ailment of many years standing for which she had been treated successfully for years.

The credit for this recovery is given to Dr. L. M. Dill the Chiropractor and Mrs. Nickerson wants it distinctly understood that Dr. Dill did actually bring about recovery of her health, by Chiropractor Spinal adjustment and while taking said Chiropratic adjustments she took absolutely no madicine or any other form of treatment.

THE BUSINESS MEN MEET

NEW DIRECTORS ELECTED AND MUCH ENTHUSISM SHOWN.

The Chestertown Business Men's Association held a general meeting Thursday evening as guests of Washington College in the Washington College Gymnasium.

The meeting was called to order by the president, Harry F. Jefferson, who gave a talk on what the Association was doing and what it was planning to do for Chestertown and Kent County. Mr. Jefferson then introduced Dr. Paul E. Titsworth, President of Washington College and a director of the association, who gave a very interesting talk and in turn introduced Dr. Perry, the new Field Vice-President of the college.

Dr. Perry is a man, nationally known as a booster and campaign manager and has worked on some of the largest campaign drives put across in the country. He told of many experiences in this work and in the enthusiasm shown by the public in general in boosting higher education. His work will be confined mostly to the Eastern Shore where he is now working with success in boosting the college and obtaining results, both financially and in the way of getting new students.

Following Dr. Perry's address, new directors were elected from ballots containing the names of every member of the Association, as follows: H. F. Jefferson, P. M. Brooks, J. S. Kreeger, W. B. Copper, M. Wilbur Thomas, L. G. Brown, J. H. Sides, Dr. H. P. Copeland, Thomas D. Bowers George W. French, R. H. Collins, Jr., C. W. Kibler, Carl Bordley, Dr. Paul E. Titsworth, W. P. Newnam.

After a buffett luncheon the meeting adjourned and all members were much inspired with enthusiasm and determination to boost Kent County and Chestertown.

The new directors will meet shortly and elect a President, Secretary and Treasurer.

GARBAGE SYSTEM FOR CHESTERTOWN

The System of Removing Trash By Wagons Furnished By The Town To Be Resumed

The Town Commissioners have decided to resumed the system of removing trash by wagons furnished by the town.

This is certainly a step in the right direction, especially as the Town Ordinance forbids buring trash on the premises for fear of fire, and the expense to individuals for removing same is great.

Chestertown with her broad streets and the lovely Chester River at her feet deserves better treatment than to have her walks and parks littered with paper and other trash, and it is to be hoped that our town will be the thing of beauty she deserves to be.

FIREMEN AND CITIZENS SUPPER

The supper to be held on Thursday, next Feb. 12, should and we have no doubt will be well supported by this community. While the supper is held under the anspicies of the Volunteer Fire Co., it should be in reality, a Firemans and citizen's supper because every citizen is equally interested with th firemen for the reason that the proceeds are to be used for better fire protection the property of our citizens. As we have said many times before in this paper the fireman serve this community free in time of fires many times at great risk of life, limb and health. The Fire Company need funds with which to purchase equipment to better protect your property, therefore it is, in our opinion, the duty of every citizen to lend a hand toward making the supper a grand financial success.

Can Operate Ferry

The Public Service Commission has issued a decission that the Tolchester Steamboat Company has the right to operate a ferry line between Baltimore and Tolchester. The right of the company to establish ferry connection with Baltimore and Easton Shore Ferry Company, which operates a line of ferries between Bay Shore and Rock Hall, on the ground that the Tolchester Company's charter did not give it the right to operate a ferry line. The commission ruled that the Tolchester Company is a common carrier and has a right to compete for automobile and ferry trade.
