THE REESTABLISHISG of the trash system in Chestertown is one of the greatest assets the citizens have in keeping their town clean and the Beauty Spot which its layout and location affords. The cleanliness of a town marks it, and all efforts of the Commissioners to keep Chestertown clean will be futile unless the residents show their civic pride and help by keeping their homes and business places in condition.

IN A SUCCESSFUL EFFORT to boost Washington College on the Eastern Shore and throughout Maryland, Chestertown cannot be left out of the publicity. In other words, Washington College, in their large campaign drive is directly and indirectly boosting Chestertown, therefore those who are interested in the town should be interested in one of the largest business assets the town has, Washington College.

THE MEETING of the Chestertown Business Men's Association, which is made up, not only of business men of Chestertown, but also men of neighboring towns and rural communities, showed that this organization is still strong and doing much for the county. Their efforts, although unnoticed by some, are bringing about results in a small way, and will eventually lead to larger things. Those connected directly with this organization realize the good work that is being accomplished and this is shown by the untiring enthusiasm manifested by its members.

## PERSONAL AND SOCIAL

Mrs. Laurence Duyer has been confined to her bed by the grip, but is now convalescing.

Wm. Frazier Russell, Esq., has been a sufferer from a gathered hand and was confined to his bed during the week-end.

Mr. Walter Alcott has been compelled to return to the hospital.

Mrs. Annie Harper and granddaughter, Miss Anna Perkins, returned from Florida this week. They had a most enjoyable trip, touring through the state and stopping at Atlantic, Ga., on their way home.

Mrs. T. W. Wroth and daughter, Anna, have been spending some time in Baltimore and vicinity, visiting freinds and relatives.

Miss Elizabeth Wicks leaves tomorrow for Los Angeles, Cal., when she will spend the winter with Mrs. Le Duc, who is well known in Chestertown.

Professor Mark Creeasy, who has been in the Johns Hopkins Hospital, Baltimore, for some time, has returned home much improved in health. Professor Creasy will not, however, resume his duties at the Chestertown High School for some time.

Mr. Thomas Massey is able to be at his office after being confined to his home for several weeks, and is on the road to complete recovery.

Miss Abagail Atwell was given a miscellaneous shower by the members of the By-Kota- Club on Monday evening.

Mrs. Joseph Atwell, of Still Pond, is the guest of Mr. and Mrs. Alfred Crew.

Mr. Walter Allcut returned home from Easton hospital last week.

Mr. and Mrs. Charles Miller, Jr., and children, of Locust Grove, were Sunday guests of the latter's parents, Mr. and Mrs. Edward Ringgold.

Miss Rebecca Kendall, of Wilmington, was the week-end guest of her parents, Mr. and Mrs. Virgil Kendall.

Mr. LeRoy L. Asay, of Wilmington spent Sunday with Miss Minnie M. Starr of Pomona.

Mr. and Mrs. T R Starr, of Pomona gave a wedding dinner for their son and wife, Mr. and Mrs. Russell L. Starr. Those present were Mr. and Mrs. Jesse Hurd and family, Rev. and Mrs. McClintock and family, Mr. and Mrs. Elmer M. Starr and son and Mr. LeRoy Asay, of Wilmington. The bride and groom received many useful gifts which were greatly appreciated. We all wish them a happy and prosperous married life.

### To Assist Local Income Taxpayers

The Public is advised that arrangements have been made to assign Deputy Collectors of Internal Revenue to various sections and communities throughout the District of Maryland for the purpose of assisting taxpayers in filing income tax returns for the calendar year 1924. The following are the dates when the governemnt officials will be in Kent county: Millington, Feb. 27; Chestertown, Feb.28 -March 3.

### Fire At Grey's Inn

People residing in the fifth District were surprised and sorry Thursday morning of last week to learn that John Atkinson had been burned out at about three or four o'clock. The family was residing in a tenant house on the Wickes farm at Grey's Inn and when awakened by smoke flames were already licking into the bedroom and the house was doomed. They saved only a few things that could be gotten out easily. Luckily the wind carried the flames away from the outbuildings and none of them was injured. The family went to the home of Mrs. Atkinson's father, Charles Smith.

### GIFT FOR WESTERN MARYLAND. COLLEGE

Rockfeller Foundation Gives Large Sum to Maryland College

Dr. Albert Norman Ward, president of Western Maryland College, Westminster, Md., has announced that the board of trutees at a special meeting accepted a gift of $125,000 offered by General Board of Education of New York city, known also as the Rockefeller Foundation.

The trustees also accepted an appropriation of $125,000 by the Maryland State Legislature for a new building.

Both offers require that the college raise additional funds for endowment in order to receive the gifts.

To get the Rockefeller Foundation gift the college must raise an additional $375,000 making a total endowment of $500,000.

The State appropriation is conditioned upon the raising of an additional $125,000 for endowment. The State allows three years for the raising of the money.

Declaring the $500,000 will be raised, Dr. Ward said a campaign would be started in May. He predicted it would be a success and visioned the growth of the college into a great educational instution.

First plans for the financial campaign will be launched at the annual midwinter banquet of alumni and friends of the college next Friday at the Hotel Emerson.

### Frederick County To Double Its Farm Bureau Membership

Frederick County is in the midst of an intensive campaign to double its membership in the Farm Bureau together with its aresultant good effect on general agricultural conditions in that county. The work is being carried on under the direction of Miles H. Fairbank, Director of Organizations of the Maryland Farm Bureau Federation. According to a recent report, there are 700 Farm Bureau members in that county which is one o fthe livest county Farm Bureau organizations in the State. Recent meetings held in Frederick in connection with the campaign, show an unusual amount of interest in the farm organization and the leaders in the present effort are highly optimistic as to its result.

Ministers of Frederick county have indorsed the increased membership campaign and the purposes of the movement. At a recent meeting in Frederick, of the ministers which was addressed by Mr. Fairbank, resolutions were adopted indorsing the Farm Bureau drive and urging the ministers of all denominations in the county to speak in its behalf from their pulpits.

### Postoffice In New Quarters

Work on the remodeling of the interior of the Chestertown postoffice was actively resumed this week. The public entrance has been changed from the corner of High and Court streets, to the east corner of the building on High street, the screen line and public lobby running from the front to the rear of the building. The change over was made Monday night when Messrs. Wm. T. Duyer, Harvey Blyman and Eli Elliot, carpenters, and nearly the whole post office force including Postmaster Bennett, worked until 2.00 a. m. Tuesday to complete the change in order that there should be no interruption in the business of the office. The new arrangement makes a very attractive appearance and affords an abundance of floor space and natural light in the whole room.

### Quality Or Quantity Members In The Farm Bureau

The strongest organizations are not always those with the most members but rather those whose members are loyal, capable and elert. Most organizations are somewhat particular about whom they admit to membership. They do not go out and beg every Tom, Dick and Harry to join. If they think a certain man would be a detriment to their organization they keep him out. The question has been raised recently in several states as to what attitude the Farm Bureau should take along this line. Should quantity or quality be the aim in the matter of membership?

### To Celebrate Lincolin's Birthday

The Jr. O. U. A. M. of Chestertown, is making extensive preparations to celebrate the birthday of Abraham Lincoln, twice president of the United States, on Wednesday evening next, Feb. 11. Patriotic addresses pertaining to the life of Lincoln and other patriotic subjects will be delivered by members, and music will be furnished by an orchestra. A large crowd is expected to be present to make the affair a success.

### Are You Feeding The Quail?

This is bad weather on the Bob White and unless some provision is made for him while the food supply is covered up in snow the result is likely to be reflected in the number of birds that are left for next fall's hunting. How about the quail on your farm? A little wheat or fine grain of any sort scattered in protected places during the snow will go a long ways with them this sort of weather.

## Tells How to End Night Coughing

To quickly stop hacking, irritating coughing at night, a very simple treatment may be had that often enables you to sleep the whole night through undisturbed almost at once.

The treatment is based on a remarkable prescription known as Dr. King's New Discovery for Coughs. You simply take a teaspoonful at night before retiring, and hold it in your throat for 15 or 20 seconds before swallowing it, without following with water. The prescription has a double action. It not only soothes and relieves irritation and soreness, but it quickly loosens and removes the phlegm and congestion which are the direct *cause* of the coughing. So no matter whether your cough is dry and tight, or loose with much mucus, the coughing soon stops, you can usually sleep your accustomed time without a break, and the whole cough condition goes in a very short time.

The prescription contains absolutely no narcotics or other harmful drugs. Instead of merely benumbing the nerves, it actually helps the system to throw off the trouble in a perfectly natural way. Furthermore, it is very economical, the dose being only one teaspoonful. It is highly recommended for coughs, chest colds, tickling, hoarseness and bronchitis, and is wonderful for children's coughs and spasmodic croup. On sale at all good druggists. Ask for

### NEAR EAST RELIEF

Ken tCounty is called upon, again to continue to support her children in the Near East. We have fed, sheltered, clothed and educated our little charges for three years. We must continue to do so until they can support themselves.

While there are many other appeals being made, we must remmber this, this is of all most important. It is a case of life or death—life and happiness if we give—death by starvation if we do not.

They look to America, the only nation that can and will keep the wolf from the door.

1. Kent County's quota is $2500.00, (that means twenty children, fed, clothed, sheltered and educated for one year.

2. Sunday, February 8th, is the date set for representatives of the Near East Relief to visit all of the churches in the county for the purpoe of raising the money.

3. Pastors who cannot conveniently have a N. E. A. representative on February 8th, are requested to arrange to have him February 15th, morning service preferred.

4. I take for granted that all the clergymen in the county will co-operate and unless I am notified to the contrary, before February 4th, I shall arrange for a repesentative of the N. E. R. to present himself on February 8th at every Parish and congregation in the county.

5. In case Sunday, February 8th is not convenient, please notify Lewis B. Sheen, County Chairman, Chestertown, Phone 835-F2.

Signed,
LEWIS B. SHEEN.
