The Third National Bank

OF CHESTERTOWN, MD.

The Only National Bank in Kent County

"THE BANK WHERE YOU FEEL AT HOME."

FRIENDS COUNT

If you want to get ahead in business, make friends. Look back over the stretch of life behind you. Look back at the struggles of successful business men. The success you have had and the success of other men is nothing less than Friendship. Many of the things you are now crediting to your business ability, must be credited to Friendship. The influence of Friends did the things you succeeded in. If you have the right of Friends you are bound to succeed. Friends never look for flaws; they are the ones who recognize the good in you. Only Friendship can bring you to the pinnacle of success. This bank makes every effort to bring about Friendly Relations. This Bank is a strong believer in the human equation. The personal touch, the human note, are ruling factors with the public, they dominate our actions and are basic factors in our institutional policies.

We do not like the machine-made, perfuntory courtesy, nor hard and fast rules of personal contact. Our officers and employes believe in a warm mutual understanding, and it is our highest aim to serve the people in a personal, human sort of way. Fxperience has taught us the viewpoint of the individual on the outside of the window, and we see his problems from his angle, instead of only from our own. In our daily dealings, we endeavor to meet the customer on the common ground of mutual understanding. We are eager for this Friendly relationship, not only because it may help you, but because we want you to help us by saying a good word for us whenever occasion presents. This is your Bank, without your AID, PATRONAGE and ENCOURAGEMENT it could not succeed.

THE SUPPER A BIG SUCCESS

Large Sum Raised To Help Purchase New Fire Apparatus

The supper on Thursday night at the Chestertown Armory was a big success and a good sum was realized to aid in the purchase of a new Pierce Arrow Fire Truck. This truck will arrive here from the factory on March 1st. By means of this truck the local Fire Company can go into the county to aid in times of fires. A special insurance rate was given when the recent apparatus was purchased, which is made void when the fire company goes into the county. This prevents the apparatus from leaving town.

Mrs. James G. Beck was chairman of the supper committee and Mrs. Beck and all her co-workers deserve much praise for the success of the affair. Mr. A. L. Sparks was chairman of the entertainment committee and also gave much time and did much good work. Mr. William G. Smyth is president of the company.

The total receipts were $567.99. The expenses were $117.63, leaving a profit of$420.36

Schooner Locked in Ice

After battling for nearly 10 hours to smash through the ice flows in Chester River, and aground for nearly three hours, the officers and crew of the Iceboat Annapolis on Monday succeeded in getting a tow aboard the ice-bound schooner Edith Scott and started with her on the final leg of her journey to Baltimore. The Edith Scott had been icebound in Chester River, off Grasonville, for several days, her sails ice-sheeted from recent storms and useless as a method of propulsion. It was feared the crew was short both of food and water and Captain Benjamin Hesselbach of the Annapolis was assigned to take relief to the stranded mariners. Arriving near thee point where the Edith Scott was narooned in the ice, Captain Hesselbach found that packs from fresh water streams in the vicinity had formed flows of varying thickness about the vessel. At this point the channel is narrow and approach was both difficult and dangerous.

Church Hill gets Legacy

By the will of Mrs. Sallie G. Palmatary, which was probated in the Orphans' Court for Queen Anne's county on Tuesday, the Church Hill Methodist Episcopal Church was bequathed a legacy of $2,000 with interest. The bequest is in the form of a savings fund in the Third National Bank of Chestertown, and the will states that, if at the time of the death of the testator the amount has not reached two thousand dollars, it is to remain undistributed until such time that it reaches $2,000. After that time the interest is to be collected by the church and divided equally, one half toward the preacher's salary and one half toward missionary work. The principal is not to be distributed for thirty years after the death of the legator. Mrs. Palmatary, who is the widow of the late W. C. Palmatary, of Queen Anne's county, made numerous valuable bequests to relatives and friends.
