OF CHESTERTOWN, MD.

The Only National Bank in Kent County

"THE BANK WHERE YOU FEEL AT HOME."

FRIENDS COUNT

If you want to get ahead in business, make friends. Look back over the stretch of life behind you. Look back at the struggles of successful business men. The success you have had and the success of other men is nothing less than Friendship. Many of the things you are now crediting to your business ability, must be credited to Friendship. The influence of Friends did the things you succeeded in. If you have the right of Friends you are bound to succeed. Friends never look for flaws; they are the ones who recognize the good in you. Only Friendship can bring you to the pinnacle of success. This bank makes every effort to bring about Friendly Relations. This Bank is a strong believer in the human equation. The personal touch, the human note, are ruling factors with the public, they dominate our actions and are basic factors in our institutional policies.

We do not like the machine-made, perfuntory courtesy, nor hard and fast rules of personal contact. Our officers and employes believe in a warm mutual understanding, and it is our highest aim to serve the people in a personal, human sort of way. Fxperience has taught us the viewpoint of the individual on the outside of the window, and we see his problems from his angle, instead of only from our own. In our daily dealings, we endeavor to meet the customer on the common ground of mutual understanding. We are eager for this Friendly relationship, not only because it may help you, but because we want you to help us by saying a good word for us whenever occasion presents. This is your Bank, without your AID, PATRONAGE and ENCOURAGEMENT it could not succeed.

IN MEMORIAM

In sad and loving remembrance of our Father and Husband, John Ward. who died two years ago, Feb. 23, 1923.
More and more each day I miss him
Others think the wound has healed.
Little do they know the sorrow,
Deep within my heart concealed.
No one knows the silent heartache
Only those who have lost can tell,
Of the grief that is born in silence
Of the one I loved so well.
Loving Wife, ELLA.

Federalsburg Has Narrow Escape

Federalsburg was visited at 4.30 o'clock Tuesday morning by a serious fire. It started in the can making plant of H. B. Messenger & Company and it and the adjoining cannery, belonging to the Messenger Company were destroyed. It was thought at first that the fire would cross the railroad and endanger the large flour mill there. There were several cars on the tracks, but they were pushed out of danger. In the can making plant was stored 1,000 gallons of motor oil, belonging to the Holt Oil Company, making the fire very spectaular. The can making plant was the first erected on this peninsula, being built over 25 years ago. The loss was estimated at about $8,000 to $10,000.

Del-Mar-Via Canners Meet

At a banquet, given by the canners of Wicomico County to the canners of the Del-Mar-Via Peninsula, at the new Wicomico Hotel, Salisbury, Friday evening, suggestions were made to transfer the market of canned goods from this section, from New York to Wilmington.

This suggestion was due to the increased freight rates on this product, and this transfer will mean a saving of from 15 cents per hundred lbs. to the canners of this section.

It was asserted that fifty per cent of the laboring class of this peninsula is engaged directly or indirectly in the canning industry.

NOTICE

All persons are warned against dumping trash on the shore of my farm on Chester River or from hauling sand therefrom. The law will be enforced against all offenders.
