WASHINGTON COLLEGE

Dr. Titsworth is in Washington this week attending the inauguration ceremonies

Prof. Snyder is still on the sick list but expects to be out in a few days.

Mr. Jarman and Mr. Nuttle are making visits to the various high schools in the state for the purpose of interesting June graduates in the college. This is a part of the plan to put on a vigorous campaign to obtain students for next fall. Everything indicates that we will have the largest enrollment ever known in the history of the college.

At a meeting of the Cotilion Club Tuesday a new constitution was adopted and new officers were elected. The officers as elected are, Pres. L. Cooper, Vice Pres. J. Bankert, Sect. E. Nuttle and Treas. H. Wheeler. It is believed that under this new order of things the club can be run more efficient. The date for the next dance has been set for the 20th, of March. This is one week later than the date that has been reported around the hill. The reason for not holding the dance on the 13th, was that it would interfere with the Eastern Shore basketball tournement that is to be held in the gym that week-end.

There was scarcely any one left on the hill over the week-end as most every one went to Baltimore to see our team whip Loyola.

The fellows were so delighted with the victory and the winning of the state championship that they decided to take the morning off Monday. The whole student body congregated in front of William Smith Hall and gave numerous cheers for the team; then returned to the gym for a general good time. The thought of a parade down town was despensed with on account of the weather.

Mrs. Ella Middleton went to Baltimore Saturday and will remain until June.

Mrs. William Heinefield is spending some time with Baltimore relative.

Mr. and Mrs. Walter Kenley are proud parents, of twin girls that arrived Saturday.

Mr. and Mrs. Clinton Guthrie and Miss Grace Culley, of Galena, visited Mr. and Mrs. Edgar Culley over the week-end

Mr. Walter Stevens visited his daughter, Miss Olympia, at Eudowood last week and reports her as getting along nicely.

STILL POND NEWS

Little Miss Catherine Parr, of Baltimore, Md., is visiting her Aunt, Miss Lucille Parr.

Miss Louise Urie, of Rock Hall, Md., spent last week-end with Mr. and Mrs. Earl Thompson.
