The Third National Bank

OF CHESTERTOWN, MD.

The Only National Bank in Kent County

"THE BANK WHERE YOU FEEL AT HOME."

FRIENDS COUNT

If you want to get ahead in business, make friends. Look back over the stretch of life behind you. Look back at the struggles of successful business men. The success you have had and the success of other men is nothing less than Friendship. Many of the things you are now crediting to your business ability, must be credited to Friendship. The influence of Friends did the things you succeeded in. If you have the right of Friends you are bound to succeed. Friends never look for flaws; they are the ones who recognize the good in you. Only Friendship can bring you to the pinnacle of success. This bank makes every effort to bring about Friendly Relations. This Bank is a strong believer in the human equation. The personal touch, the human note, are ruling factors with the public, they dominate our actions and are basic factors in our institutional policies.

We do not like the machine-made, perfuntory courtesy, nor hard and fast rules of personal contact. Our officers and employes believe in a warm mutual understanding, and it is our highest aim to serve the people in a personal, human sort of way. Fxperience has taught us the viewpoint of the individual on the outside of the window, and we see his problems from his angle, instead of only from our own. In our daily dealings, we endeavor to meet the customer on the common ground of mutual understanding. We are eager for this Friendly relationship, not only because it may help you, but because we want you to help us by saying a good word for us whenever occasion presents. This is your Bank, without your AID, PATRONAGE and ENCOURAGEMENT it could not succeed.
