IT is a hopeful sign for the Democratic party that the woman of Maryland, are organizing and showing enthusiasm for the parties success. The meeting at Salisbury next Saturday, will have speakers of Nation wide reputation and it s hoped there may be a large representation from Kent.

THE Medical Detachment Maryland National Guard may be removed from Chestertown unless eight men are recruited within thirty day. This unit s a real asset to Kent county in many ways and if removed will be a great loss to the community. All that is necessary to hold it in Chestertown is eight men, who are willing to sell one evening in the week to the state for the protection of its citizens. Let us see if they cannot be secured.

TOMORROW IS EASTER Sunday, the day on which Our Lord, Jesus Christ rose from the dead to give the world the hope of resurrection and peace and loving kindness, every man one toward the other. Let us rejoice and be glad! The dumb animals, the birds, the flowers, and vegetation after lying dormant during the winter months come forth as if rejoicing at this season. It marks the opening of spring, the starting of crops, so that all animal life may derive a livelihood through the bounties offorded by nature. Should not we, the humans, who are gifted with mental power to see and appreciate these gifts, rejoice in our praises to God? Let us forget our petty differences and join in brotherly love and strive for that which our Lord suffered death that we might enjoy.
