Body Found

The body of Elwood Murrey of Chesapeake City was found on Howell's Point Farm shore on Tuesday, Apr. 14. The body was viewed by Dr. Harry L. Dodd, Coroner and then taken in charge by Undertaker B. R. Fellows of Still Pond who prepared it for burial. It was taken to Chesapeake City where funeral services were held and interment made in Bethel Cemetery.

Easter Day

Nature did her best in crowning Easter Day with beautiful sunny skies and warm weather. Every where the flowers were blooming in profusion and the birds joined with the people in singing praises to God, that the Lord Jesus had passed thru the grave and gate of death to His joyous Resurrection. The flower decked churches were crowded with worshippers and in every way it was an Easter to be remembered.

Local Lodge Growing

The local lodge of the Royal Order of Moose was reorganized recently and under the new regime is fast growing in membership. New members from all parts of the county are initiated every meeting night and are taking advantage of the reduced initiation fee while the drive for new members is on.

New officers were recently installed and interesting programs are arranged for meeting nights.

Robert Banks is charged with the cutting and the following arrests were made, Robert Banks, James Grunell, Sophie Wright, George Cotton, Bertha Wright. All implicated were colored and razors were the wepons used.

Important Meeting for Turkey Raisers

In order that all those interested in raising turkeys may get together and discuss their problems, a meeting is being planned by the Home Demonstration Agent for Wednesday, April 29th, at 1.30 p. m., in the auditorium of the Chestertown High School.

Mrs. Harold M. Baker, of the Quaker Neck Community Club, will lead the discussion. Mrs. Baker is very successful in raising turkeys and the meeting should prove a great benefit to all interested in the industry. The public is cordially invited to attend.

Wm. Simpler Injured at Golts

Mr. William Simpler narrowly escaped serious injury at Golts last week when he was hit b an automobile driven by Wayman Camil, colored.

According to the evidence brought out in the case. Camile was driving a car on the wrong side of the road. with no lights on and without license, and hit Mr. Simpler, age about 70 years. Mr. Simpler escaped serious injury by jumping on the radiator of the car and holding on until the car stopped, although his hip was slightly injured when he finally fell to the ground. Camile offered assistance but was not needed. At the trial he was fined $25.00 and costs. The witnesses in the case were Jack Darrel and Jos. Peacock.

Woodlands Ablaze

History repeated itself Monday in the woods on the Wickes-Lusby farm, near town, when small boys, gathering Arbutus, set fire to the ancient playground of Chestertown youths. Heroic efforts on the part of Mr. Herbert Lusgy and his neighbors prevented disastrous results.

The Swamp near Tolchester lane was a mass of flames at an early hour Monday evening and it was feared that the fire would spread to property nearby; however a large force succeeded in preventing any damage.

Crosby Woods, near Rock Hall, had a serious fire recently, which did much damage.

Join to Stay Joined

When the average person joins a lodge, church or most any other civic or social organization he does so with the idea of staying joined. Then why should the farmer look upon the Farm Bureau in any other light? The Farm Bureau is an ideal. It does not merely exist in the office of the County Farm Bureau Secretary nor in the State Farm Bureau office but in the hearts and souls of the members. It is not a tangible commodity that one can utilize for his individual benefit and then drop it when direct benefits cease. The Farm Bureau radiates a powerful influence that is gradually bringing farming up out of the slough of despondency upon a plane of hopefulness and happiness.

Fire Destroys Barn

On Saturday aftrnoon. at about 3 o'clock, the barn on the farm of Mr. Robert Moffett, near Chestertown, tenanted by Mr. Romie Younger, was found to be on fire. The fire alarm sounded and Chestertown's new fire truck, ably and efficiently manned, was rushed to the scene, and placing the hose in a well nearly immediately began playing a stream of water on the blaze. This source of supply was soon exbansted, however, and no other water supply was available. The barn was soon completely destroyed and also a chicken house nearly. In the barn was some hay, a few barrels if corn and other things used about the farm, which were not insured. The firemen did good work and prevented the spread of the flames to the other buildings and fences. A tremendous crowd was at the scene of the fire who rendered aid in many ways. The origin of the fire is unknown.
