Commencement at Washington College

President Paul Emerson Titsworth, of Washington College, is arranging the most elaborate program of exercises for Commencement Week in the history of the college. One of the most important features of the week will be the meeting of the Alumni Association on the Friday evening preceding the Sunday morning baccalaureate service, when it is expected that a large number of graduates and former students will return to the college to discuss plans for the development of the institution which will mean much for the future of the college. On Sunday morning President Titsworth will deliver the baccalaureate address to the graduates and a chorus of twenty-five voices from the choirs of the town churches will render special music, under the derection of Prof. A. Roy Woodland.

"Hip Hip Hooray"—Chestertown's big novelty show. Cast of 100 people Benefit Fire Company May 4-5-6.

Firemen's Show.

Rehersals for "Hip Hip Hooray,"—Chestertown's big novelty show, which is to be presented on May 4-5-6, at the Lycem Theatre, as a benefit for the Chestertown Fire Company, started last Monday night, under the direction of the Wheeler Producing Company, professional producers, and from now until the date of the opening performance, the large cast will be busy with afternoon and night rehersals preparing for the big Minstrel-Musical Revue.

"Hip Hip Hooray" will be something entirely new in the line of home talent entertainment, being styled along the lines of the city revue, in five big novelty scenes, comprising many unique and attractive features, and will have the largest cast ever assembled here for a local entertainment, over 100 of Chestertown's best singers, dancers, and entertainers taking part.

One of the big hits of the revue is sure to be made by the children, over 50 of whom are to take part in a big Mother Goose fantasy, entitled, "The Birthday Party"—the children ranging from 3 to 12 years of age, portraying the characters familiar to the Mother Goose rhymes.

Numbers by the adults including, "Limehouse Nights," a big Chinese novelty, featuring a Mah Jong ballet, by a large group of our popular young ladies, also several solo parts, the scene being laid in old Chinatown. "The Girls Of My Dreams" is an attractively staged song and dance revue in an electrical setting, with two principal solo parts, and a large number of our most attractive young ladies as the dream girls. Another popular number will be, "The Kiss Me Dolls" in which several of our younger set will appear as dolls in a characteristic singing and dancing novelty.

The revue it to close with the "Hip Hip Hooray" Minstrels, with the following well known men at the end men: Messrs, Eddie Keenan, Clarance Newcomb, H. S. Russell, and H. S. Startt, with several soloists, and a big chorus of male voices.

The show is to be elaborately staged with special scenery, costumes, and electrical effects, and "Hip Hip Hooray" bids fair to be the outstanding event of the present amusement season. The Wheeler Producing Company, who are staging the show for the Fire Company, come highly recommended, having staged big successes in all the larger coast cities, and an entertainment of the highest order is assured.

The Fire Company are taking this means of raising funds to help defray the cost of our new engine and they are assured of the hearty support of the community at large.

Watch for "Hip Hip Hooray"—Cast of 100 of Chestertown's best talent. Benefit of our Fire Company May 4-5-6.

LYCEUM THEATRE

CHESTERTOWN

Larry Semon Comedy.

Lightning Kills Colored Man

During the electrical storm which passed over this section Sunday afternoon, John Young, colored and living alone tenant of the upper Round Top farm Queen Annes county, bordering on Chester River, was killed by lightening. Mr. Charles McKee, on a neighboring farm, went to Round Top on Monday morning and, finding no one at home, made investigations and found Young lying by an open window dead. Evidence of the lightening's damage was seen about the room and that Young was killed instantly there was no doubt. Young was well and favorably known in his neighborhood as a hard worker and an upright colored man.

Millington's Fire House Begun

Work began last week on the new community fire house for the Millington company. The site is a lot in the center of the town recently purchased by the fire company. The building will be two stories, tile sides and back and brick front. The first story will be used as a fire house and store, and the entire second story will be a town hall, a badly needed center. The building will cost $5,000 and will furnish ample accommodation for the fire equipment. On the outside of the building will be placed a large tablet, upon which will be inscribed the names of all the Millington soldiers who lost their lives in the World War. Funds are being raised by members of the company and residents of the town to pay for the building and tablet, and it is expected that by the time it is ready for dedication the entire amount will be in hand.

Local Gun Club Holds Initial Shoot

The Chestertown Gun Club which has recently been formed, held their initial shoot in Mr. Leon Brown's field Wednesday afternoon, some of the best shots in the country set the pace for the shooting and a number of our local shooters followed along in good order.
