Sports of the Week

Washington Defeats Loyola In Close Game—Other Sports

The scheduled baseball game between Washington College and Western Maryland College for Wednesday was postponed on account of rain.

Washington College defeated Loyola College on Saturday on the Washington diamond on Saturday before a good crowd by the score of 2 to 0. Carroll was on the mound for Washington and held the visitors safe at all stages of the game. Washington's nine showed decided improvement over its work of the past few games.

Washington played Blue Ridge College at New Windsor yesterday, Friday.

Coach Kibler has expressed satisfaction on the showing his team has made so far this season. After shifting his lineup a bit he has decided on the combination which he hopes will bring victories in the remaining games on the schedule. He was particularly satisfied with Caroll's pitching again st Loyola last Saturday when the hefty southpaw let the Jesuits down with three scratch hits. It is only this year that Carroll developed his control, which kept him from being one of Kibler's dependable pitchers in previous years. This southpaw will undoubtedly be called upon to carry the pitching burden against dangerous teams.
