It is needless to say that every one will be welcome, and it is hoped and expected that all who do will be stimulated and inspired with the full joy of the Christian life and the Master's Service.

The young peoples' Sunday night supper, which is usually held at 6 o'clock the first Sunday of the month, will be held on May 10th instead, in order that the Rev. Mr. Hall may be present. These suppers are given jointly by the young people of the church and the church students' club of Washington College. They are served by some of the ladies of the church at an expense of only 10 cents to the young people.

Kansas City Doctor Invents New Truss

New Discovery Heals Rupture Without An Operation.

Kansas City, Mo., (Special)—A new discovery which, experts agree, has no equal for curative effects in all rupture cases, is the latest accomplishment of the well-known Hernia Specialist, Dr. Andrews, 226-H Knich Bldg., Kansas City, Mo. The method proves that it holds and heals a rupture. It weighs only a few ounces. Has no hard gouging pads, no elastic belt, no leg straps, no steel bands, and is as comfortable as a light garment. It has enabled hundreds of persons to throw away trusses and declare their rupture absolutely healed. Many of these had serious double ruptures, from which they had suffered for years. It is Dr. Andrews' ambition to have every ruptured person enjoy the quick relief, comfort and healing power of his discovery, and he will send it on free trial to any reader of The Chestertown Transcript who writes him. He wants one person in each neighborhood to whom he can refer. If you wish to be rid of rupture for good, without an operation, take advantage of the doctor's free offer. Write him today.
