THE TRANSCRIPT

MORE AND MORE are the farmers of Kent County realizing that their profits are in the small crops, such as tomatoes, asparagus, milk and poultry, which at present are leaders among the money makers, and as these crops prove more and more profitable, the future points to the dividing up of the larger farms, and more intensive farming on smaller plots. Farmers around Marion Station, Wicomico Co., expect to get $1000 to the acre from their berries this spring.

Local Actors Achieve Tremendous Success

With a brilliance of colors, which varied like the many perfect-hued shades of a summer's rainbow, and flashed and blazed like bright constellations flung into a deep-set firmament, the theatrical sky of this section was brightened this week as never before in its history, and the pathway that was lighted will be blazing down the years into which the feet of others can follow with eager footsteps, seeking to attain the heights of excellence which has marked an epoch in the life and pleasure of this generation.

The affair to which we refer was the big entertainment given for the benefit of the local fire company in the Lyceum Theatre on Monday, Tuesday and Wednesday. From the time when the tiny tots, dressed like angelic fairies, trooped gaily upon the stage, until the manifold fun of the Minstrels marked the close, every performance was a real treat.

As the performance of the last night neared its close, Mr. William G. Smyth president of the Chestertown Volunteer Fire Co., in a few well chosen remarks, presented Mr. and Mrs. Wheeler, who managed the affair so successfully, with a handsome silver cake tray, as a token of the esteem in which they are held for the fine work they have done. Both Mr. and Mrs. Wheeler responded appropriately.

The total receipts of the show, minus the war tax, were $1294.62. The expenses were $236.12, leaving a total profit of $1,058.50. Of this sum the local fire company received $529.25, and the Wheeler Company the same amount.

The officials of the local fire company have made a contract with the Wheeler Production Co., for one show a year for three years.

A full account of this successful affair will be found on page 2.
