Branch Agency

Branch agencies of the Shannahan Nash Motor Company have been established in Chestertown, Millington and Centreville. Mr. Clark Davis, of Chestertown, whose garage is on Cross St., will have the official service station for Kent County. Mr. Frank C. Miller, of Millington, and Mr. Mason Shaw, of Centreville, will also represent the Shannahan Company.

Hot Wave Hits Us

Beginning last Monday, Kent county has experienced the most terrific heat wave in years. Every day during the past week has found the thermometer registering near the century mark. The nights have, however, been cooler. Corn is growing fast and wheat is ripening. Yesterday gave promise of being the hottest of the week, no relief was in sight when we went to press.

Cornerstone Laid

Using the Masonic Ritual, the cornerstone of the Community Building at Millington, Md., was laid on Tuesday, June 2, under the auspices of Chester Lodge, No. 115, of Chestertown. A most interesting program was rendered and a large gathering was present. This building will occupy a most important part in the life and activity of Millington.

Prospects Good

Kent county has prospects of one of the best wheat crops in several years and that prices will also be good is a foregone conclusion. New crop wheat futures made moderate advances during the week ending May 23, according to the weekly grain market review of the United States Department of Agriculture. Fresh reports of dry weather in the spring wheat area and claims of crop damage to winter wheat were factors in the advance but larger country marketings and a slack mill demand caused an easier tone in the cash market, although the export business was fair with sales of about 3,000,000 bushels reported for the week. World's commercial supplies decreased rapidly during April.

Banquet Held

The annual banquet of the Automobile club of Kent County was held at Hotel Tolchester, Tolchester Beach, on Thursday, June 4, at 7.30 p. m. The officers of the Automobile Club are as follows:

President A. A. Harris; Secretary, Jas. G. Beck; Treas., Dr. H. C. Hughes. The menu was as follows:

Clam chowder, roast fish, radishes, mixed pickles, hot rolls, fried chicken, french fried potatoes, garden peas, lettuce and tomato salad, ice cream and cake, coffee, cigars, cigarettes. The music was one of the speackers.

Play Repeated

A crowd at the Lyceum Theatre saw the Senior class of Chestertown High School repeat a play entitled "Anne What's Her Name," The following was the cast. Anthony Wheat (Tony), Wm. B. Usilton, Jr.; Burks, Claude Parks; Margorie, Elizabeth Crow; Aunt Julia, Audrey Sard; Barbara, Anna Rasin; Mooney, Marian Collins; Willie Peabody, Walter Robinson; Doran, Gale Rasin; Gran Ma, Lousie Startt; Louise Byers, Ann Welch; Judge Bunby, James Chapman, Doctor Aked, Harry Schrieber; Nancy Broyn, Kathryn Smith; Ebenezer Whittle, John Waller; Mrs. Ebenezer Whittle, Henrietta Wallis; Two Little Whittles, Margaret Cooper and Elizabeth Richardson.

Health Conference

An interesting program has been arranged by Dr. John S. Fulton, Director of the State Department of Health, for the annual conference of Health Officers and Boards of Health of Maryland, at Osler Hall, Baltimore, Friday and Saturday, June 12 and 13.

The speakers on Friday will include Governor Ritchie, Surgeon-General Hugh S. Cumming, and Assistant-Surgeon-General A. M. Stimson, of the U. S. Public Health Service. Some of the notable achievements of the State in the control of communicable diseases, during the last quarter of a century will be the subject of an address by Dr. R. H. Riley, Chief of the State Bureau of Communicable Diseases. Methods used in immunization against diphtheria, will be described by Dr. L. V. Ellicott of the Baltimore City Department of Health. Dr. A. R. Dochez, of New York City, who has attained international distinction by his studies of scarlet fever and the development of a serum now used in the control of the disease, will speak of the preparation and use of scarlatinal anti-toxin.
