SPORTING NOTES

Washington Defeats State Normal and Loses To Mt. St. Mary's

Washington College easily defeated State Normal Friday afternoon on the Washington College diamond by the score of 10 to 2. The local Collegians made but five hits, but the visitors could neither field the ball, nor could their twiller find the plate, he having issued nine free passes, Purcell, Carroll and Bennett all pitched good ball.

Paul Berlenback won the light-heavy-weight championship of the world on Saturday night from Mike McTigue. The former forced the fighting throughout.

Strangler Lewis and Edward Stecher are now both lively claimants for the world's wrestling championship, Lewis having defeated Munn and Stecker having defeated Lybsco. They will probably decide the issue in the near future.

Washington College lost a hard fought baseball game to Mt. St. Mary's College here last Friday by the score of 3 to 0. It was easily the best game of the entire season. Purcell was on the mound for Washington and pitched good ball. Strad also hurled good ball for the visitors. Washington threatened a rally in the ninth when McGran was safe on an error and Smoot doubled. However McGran was thrown out by inches at third. Becker popped up for the final out.

The baseball season is over with the exception of the Alumni game, which will be played on June 13.

IN MEMORIUM

In loving memory of our dear daughter, Della Gertrude George, who died four years ago.

Our loved one, sweet and patient child,
In all thy grief and pain,
That little heart so cold and still,
Will never throb again.

We miss thee darling, O, how much,
Our God alone can tell,
He took thee from our loving arms,
He doeth all things well.

Yet when we feel thy little life,
Has known so much of pain,
We cannot wish our Gertrude back,
To this sad world again.
By her loving Mother and Father.
