UNIQUE WALL DEDICATED

Impressive Services Work Event at Christ P. E. Church at I. U.

Figures in early Maryland history civil, military, ecclesiastical, received officially a permanent memorial Tuesday when services dedicating a unique wall surrounding Christ Protestant Episcopal Church, at I. U., Kent county, conducted by the Rev. Dr. Sewell S. Hepbron, the rector.

The wall was constructed recently through the efforts of Dr. Hepbron to serve as both a protection for graves of parishioners and an appropriate appurtenance of the old church. It contains panels of gronz tablets placed by descendants of the vestry, memberes of the church and others associated with the church during the early days of its existance. The wall is constructed of concrete and is several feet high.

The Rev. Dr. Peregrine Wroth, rector of the Church of the Messiah, Baltimore, gave reminiscences of the parish as part of the program. Percy G. Skirven recounted a brief history of the parish from 1766 to the present time. The Dev. Pinkney Wroth also spoke. Dr. Hepbron gave a history of the wall.

Several men, prominent on Maryland's history are buried in graves surrounding the old edivce. In order to provide a protective spot for them and others associated with the parish, Dr. Hepbron solicited present members of the parish to contribute for tablets to their memory. With the funds thus raised both the wall and tablets were erected.

Rev. William Smith a former president of Washington College was at one time a rector of this parish. Col. Philip Deed, who commanded the Maryland militia at the Battle of Caulks Field in the War of 1812 is buried in the church graveyard.

The Rev. William N. Stone, who was made rector in 1820, became the third bishop of Maryland in 1h30, was another prominent figure identified with the parish.

Christ Church was erected in 176h. In the same year that the Dev. Mr Stone entered the episcopate the church fell into disuse and temporarly was abandoned. It was rebuilt about 1860 and deicated by Bishop Whittingham, then Bishop of Maryland.

May Hold Defence Day.

Kent countians may have an opportunity this year to participate in another Defense Day program. While not militantly enthusiastic over the idea most of the Governors of the 48 States are willing to co-operate with President Coolidge and the War Department in the suggested plan to make July 4 annual "Defense Day" from a national standpoint. This was disclosed recently in a nationwide poll of Gubernatorial sentiment taken by International News Service.

Many of the Governors feel that a day should be set apart each year on which the nation should take stock of its defense situation when State troops should be mobilized for inspection and survey, and the thoughts of the people generally devoted to the preparedness that may never be necessary but which must always be observed.

But not all of them by any means believe that this day should be Armistice Day, as originally proposed by the General Staff, nor do they wholeheartedly approve of President Coolidge's alternative suggestion of July Fourth.

What a beautiful floor!

The visitor is at once impressed with the beauty of a Bruce Oak Floor, and as she is escorted by her gratified hostess through all the rooms, her delight increases as she sees how the atmosphere of her friend's home is enriched by the mellow expanse beneath their feet—dignity and the warmth of hospitality in the living room, good cheer in the dining room and good taste throughout.

There is no floor that can compare with a Bruce Oak Floor; it has character, beauty, and it will last for all time.

If you lack Oak Floors in your present home, there is a special thickness made to lay over the old worn floor.

We will be glad of an opportunity of telling you more about Oak Floors as related to your individual requirements.
