Big Lawn Party

A meeting of much interest to politicians of the Eastern Shore, and to Kent county in particular, will be held on July 10 when Mrs. Wilbur W. Hubbard, chairman of the Shore Branch of the United Democratic Women's Clubs of Maryland, will hold a large garden party on the lawn of her home on Chester river. Invitations will be issued to club members from all the counties on the Shore, who will be the guests of Mrs. Hubbard and the members of the Kent county club. Prominent Democrats, both men and women, are expected to attend the gathering, which may assume the significance of a real Democratic rally. Tea will be served by the women of the Kent county club, a prominent speaker from Washington will address the gathering.

Rock Hall Boy Wins Again

For the purpose of arousing greater interest in the care of teeth and the elimination of diseases resulting from defective teeth, an essay contest was sponsored by the Eastern Shore Dental Society during the past spring. The subject upon which essays were written was "Teeth and Their Care." No essay could contain more than five hundred words and the contest was open to the members of the graduation classes of all of the first group high schools on the Eastern Shore of Maryland.

A prize of ten dollars was offered by the Dental Society for the best essay in each of the counties, and a gold medal for the best essay on the Shore. With one exception, all counties responded well.

The winning essays from all the counties were submitted by the Society to the L. D. Caulk Dental Manufacturing Company, Milford, Del., for them to determine which was the best. The winning essay in Kent County written by Francis Willson of Rock Hall was selected.

—Crabs are still extremely scarce in the Chester. After two months' delay crabs have put in their appearance in the Crisfield market. They are coming by the thousands from Virginia waters and the indications are that there will be an ample supply for the remainder of the season.
