The Camera of the year

No. 1A Pocket Kodak

Series II

(Focusing Model)

Equipped with Diomatic Shutter and Kodak Anastigmat lens *f*.7.7.

$26

Pictures 2½ x 4¼

By a simple lever mechanism, the front snaps instantly into picture position—ready for business. This Kodak is equipped with the Kodak Anastigmat lens *f*.7.7. and Diomatic shutter, four speeds, 1/10 to 1/100 second.

There's a sliding, timing scale to fit the exposure to the light. A finger-tip turn of the lens mount sets the focus.

This superior lens and shutter combination means better timed, sharper negatives—the evidence is plain in the prints.

The No. 1A Pocket Kodak is on display at our store. Come in and look it over.
