SAD ACCIDENT

Cecil County Young Man Killed Between Galena and Georgetown When Auto Upsets

George C. Thomas, aged nineteen years, a grandson of the late Thomas C. Cruiksbank, of the Cecil County and a student at the University of Virginia, died Monday evening at the Union Hospital in Elkton, of hemorrhage of the brain resulting from injuries received in an automobile accident that afternoon.

Just how the accident occurred is unknown. About five o'clock Monday afternoon he was found unconscious on the road between Georgetown and Galena, his Ford car having struck a pole. Dr. Scott was summoned and brought him to Union Hospital, but he died in a few hours.

Mr. Thomas was a son of William M. M. Thomas, of St. Mary's County and Sarah E. Cruikshank Thomas, of Cecil County, and was born in Brazil, S. A., where his parents are still engaged in missionary work. He resided with his aunt, Mrs. Jesse Ireland, at Galena, and during vacations engaged in selling books. He was returning from a trip when the accident occured. He was a clean young man with no bad habits, and his tragic death is sadly mourned.

Coroner Howard W. Green, of Cecil gave a certificate of death.

At this picnic this club, a combination of the Boys and Girls Clubs, will get together discuss places of the work in their various clubs, and aside from the educational advantages every one will have a general good time. This picnic will be preparatory to club week at the University of Maryland which is scheduled for the week of August 6th to 11th.

All boy and girl club members and their parents are invited to attend this picnic and a good time is assured for all.

People Alarmed

Residents of Kent county in the vicinity of Chestertown, who were alarmed at the destruction of much plant life, on Wednesday were given assurance that there was no cause for alarm over the reported discovery of the Japanese beetle in this part of the state. Charles E. Prince, Federal Plant Quarantine Inspector, declared that the beetle had not yet invaded Maryland, its ravages to date having been confined to Southern New Jersey, Northern Delaware and Eastern Pennsylvania. Mr. Prince's statement was reinforced by a similar one from the State Department of Forestry, which declared that none of the forest wardens had reported its appearance.

C. Leaverton, Ira Leager, Elmer Jones, Harry Baker and Goldie Jones.

Gives Demonstrations.

The Chestertown Volunteer Fire Company is demonstrating its usefulness by visiting other towns and showing what can be done with its equipment in case of fire. Rock Hall and Betterton, each situated near available water supply, could, with little expense, properly install equipment that could place them in an excellent position to use the county fire apparatus effectively. On Tuesday evening the fire company visited "Montebella Lake." the county home of Mr. Clinton E. Woods, who made a liberal donation to the County-wide fire apparatus fund, and from the unlimited supply of water of the lake, gave a demonstration, following which the boys were invited to partake of temptingly prepared repast, which all greatly enjoyed.

—Mr. John Palmer Smith, a young lawyer and ice manufacturer of Centreville, Md., was badly crushed between a three ton truck and the platform at the ice plant. Due to a misunderstanding of signals the truck backed to the platform crushing Mr. Smith to a space of about two inches. He is now in a serious condition at the Easton hospital.
