Kent and Sussex Fair

Record breaking attendance at the Kent and Sussex County Fair. More than 40,000 were in attendance at our Fair during the week. Friday was an entire blank for both the day and evening performances. The atttndance for the four good days far exceeded the atendance for the full five days in 1924. The patrons seemed wtll satisfied at both the racing and the free attractions. It has been the Fair a better one each year and the comparsion of statistics we have prepared for the past four years and which we are publishing here show that our patrons are showing their appreciation by their attendance.

We want to take this opportunity to thank every one that attended our Fair for their patronage. We hope to make our next years Fair a bigger and better one than we have ever had. The slogan for next year will be "MEET ME AT THE HARRINGTON FAIR."

ALL OUT OF SORTS?

So Was This Chestertown Woman Who Tells Her Experience.

All too often women accept their pains and aches as natural to their sex. They fail to realize that weak kidneys are often to blame for that backache, those headaches, dizzy spells and that tired, depressed feeling. Thousands have found new health and strength by helping the weakened kidneys with Doan's Pills—a stimulant diuretic. This Chestertown case is one of many:

Mrs. M. Galaway, 226 Cannon St., says: "My Kidneys were weak and acted irregularly and while doing any sweeping or dusting I had such pains through my kidneys I could hardly get up or down. I was also bothered with headaches and dizzy spells and was tired all the time and I had no energy. I purchased Doan's Pills at Toulson's Drug Store and after using three boxes, I was cured. I have had good health ever since."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mrs. Galaway had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.
