PROF. STRANG "NOT GUILTY"

Kent School Board, However, Recommends Retirement Of Rock Hall Principal

Kent County's noted school controversey same to an end yesterday, when the Kent County School Board rendered their decision in the protest brought by a committee of Rock Hall citizens against Prof. W. A. P. Strang, principal of Rock Hall High School.

The School Board found Prof. Strang not guilty of the charges brought against him, but recommended his retirement as principal on the ground that, because of the controversy aroused concerning the affair, his days of usefulness at the Rock Hall High School were over.

During the controversy, Wm. Frazier Russell, Esq., represented the protesting committee; H. W. Vickers, Esq. represented Prof. Strang, while S. S Beck, Esq., was the attorney for the Boarl.

The statement of the School Board, given to the Transcript yesterday, is as follows:

"Our opinion and decision in the trial of W. A. P. Strang before the Board of Education on August 19th, 1925: The charges against Mr. Strang have not been proven; therefore he is not guilty. But seeing the immence gathering of people from Rock Hall,, and, to our mind, about equally divided for and against Mr. Strang, and the feeling at times seeming to be very bitter on both sides, we believe for the best interests of the school and community, Mr. Strang's usefulness as a high school teacher at Rock Hall has come to an end. Therefore in our judgment, the Board of Education should demand the resignation of Mr. Strang forthwith.

HARRY DAVIS, President,
ROBERT R. HILL,

Mr. Skirven was in favor of acquittal but opposed Professor Strang's dismissal.

Labor Day

The Betterton Board of Trade has planned a big Labor Day Celebration for September 7. Under the direction of Mr. Arthur Brice, and Mr. E. D. Briscoe, an automobile parade will be held, with three prizes given for the most attractively decorated cars. Hotels and Cottages will serve meals and luncheons. All the resort amusements will be in operation. See advertisement for full particulars.

Massey Minstraels Success

The Massey ministrel, show held last week was a big success. Many people from all parts of the county attended.

The feature, aside from the minstrel show, was an address by United States Senator Thomas F. Bayard, of Delaware. The proceeds, which amounted to about $250, were donated to St. Clements Protestant Episcopal Church, Massey.

Visit To Capital

Mr. and Mrs. Wm. F. Russell, Jr., and children, and ExSenator and Mrs. W. F. Russell made an automobile trip to Washington for the week-end as a guest of the former Mrs. Russell's aunt Mrs. Gross. Mrs. Gross, who is 87 years old, is one of the few people living who knew President Lincoln personally. While in Washington the party made a trip to Arlington and visited the Cathedral where rest the remains of the late President Wilson and admiral Dewey.

Carnival For Chestertown

Members of the Chestertown Volunteer Fire Company are planning a big street carnival for September, and last night a committee was appointed to arrange the details. A meeting was held with officials of the Business Men's Association, and it is probable that the carnival will be combined with a home-coming week celebration. Permission has been granted to hold the carnival on the central public square, and plans so far perfected call for a parade of fire engines and equipment from all the towns on the Shore at which valuable prizes will be given concert by a band of music; popularity contest to determine Kent's most beautiful girl, and various games, including aquatic sports on the Chester river. Proceeds will be used to pay the balance due on the second fire truck.

Rubbish On Roads

There is a continued practice of throwing rubbish and hedge trimmings on the county roads. This practice causes much trouble to county forces in scraping roads and much damage is done by obstructing ditches. Road officials make the request that all filth be cleaned up and burned. There is a rigid state law against the practice of leaving these cuttings on the highways but county officials are confident that it will not be necessary to invoke this measure to bring about the desired results. They feel that by calling attention to the situation, there will be a prompt and ready willingness to cooperate.

—Messrs Franklin Smith, Spencer Smith George Cooper, Daniel McKee and Graham Nelson write that they have reached their destination in Florida. Mr. McKee is expected home today.
