LABOR DAY AT BETTERTON

..Three Mile Swim And Other Features To Make Day Enjoyable

The last swimming event of the season at Betterton, Maryland, will take place on Labor Day in the form of a three mile test. Silver loving cups will be awarded to the winners and each one that completes the swim will receive an award. This race will be interesting. Separate prizes will be given to the men and women and the fair lossies will start thirty minutes ahead of the men. F. Morris Touchtone, Yale Coach, who has charge of the race has anounced that he will have a novel system of watching or following the swimmers from the Betterton wharf. The race will start at Groves Point and finish up at Betterton. In order that the spectators can follow the swimmers without traveling in boats, Mr. Touchtone will have a boat following each swimmer and from each boat will fly a different color flag. On the Betterton wharf will be a large chart with the names of the swimmers and their different flags.

A good number of swimmers have already handed in their entries. In addition to the long swim there will be other water events for those who do not enter the three mile race. These events will be canoe tilting, boat races fancy diving, dashes and novelty events.

A large crowd witnessed the waltz contest which took place on Wednesdoy night. The contest was won by Miss Dorothy McDorman and Mr. Louis Conorroe with Miss Maxine Soulter and Mr. Howard McLaughlin second Beautiful silver loving cups were awarded to the first and second place winners. The judges decision was a popular one. The contestants came from all parts of the county to contests.

NO GREATER SERMON WAS EVER PREACHED FROM THE SCREEN

Clergymen of all denominations are urging their congregations to see "The Ten Commandments."

The Reverend Dr. Chester C. Marshall wrote of it in "The Educational Screen" as follows:

"When it was reported many months ago that a commercial company was filming "The Ten Commandments" many of us felt that this was apt to be something of a travesty on one of the sublimest and most epochal events of history.

"When the picture was first produced in a New York theatre at top-notch prices, I attended with a group of clergymen as guests of the management, expecting to see a great spectacle, and also prepared to see violence done to the real spirit of the Decalogue and of the method by which the law was given to man. Frankly, I may say, we were a critical group.

"Two hours and a half later we emerged from the theatre onto the Great White Way, to be suddenly jarred back into the world of realities. The evening rush hour was on, the floods of humanity were surging by in two mighty currents, and there at the entrance stood a woman selling copies of "The Athiest."

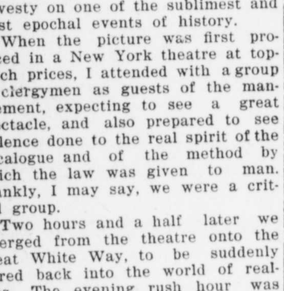

"No, let us rather say we came from the world of realities as spread before us on the screen, out into a world of unrealities. God has rarely been more real to us than he was for the space of one afternoon.

"If one message above another is needed by our pleasure loving, law breaking age, this picture brings just that message.

"Thanks to a motion picture company, a director, a scenario writer, actors and all others who are bringing this message to millions of people. Every American owes it to himself to see the world's greatest and best motion picture.
