CROWDS AT BETTERTON

Betterton Water Carnival A Big Success—Crowd of Spectators See Events

The First Annual Water Carnival was a big success at Betterton Saturday afternoon and was held under ideal conditions. A large crowd of spectators displayed their approval of the events and the participants received great encouragement from the on-lookers.

In addition to the straight swimming a number of races and humorous water stunts added merriment to the occasion. The watermellon grab for the junior boys was heaps of fun and was won by N. McDorman after a terrible strugle to reach shore with the melon in his possession; other interesting races were the tub and the umbrella races.

Miss Margaret Crew was the high point winner again in the senior girl's class with Gladys Hickman second. Miss Crew won two first places and one third in the swimming events and was in the winning class in the mixed doubles. Eddie Williams captured the silver cup in the senior class for boys by securing 23½ points. His nearest rival was Eddie Bardo who barely beat him in the first event of the afternoon which was the 50 yard swim. The competition in this class was of a very high type and Williams was pushed to do his very best to win out. The greased pole contest was very funny and was won by F. McDorman with H. Princell second.

L. Deering and Clarence Crew were the high point winners in the girls and boys class respectively. Ribbons were awarded to the first, second and third place winners in each event.

The ribbons and silver loving cup were awarded to the winners on the dance floor before a very large crowd the night of the meet.

Kent Wins

Kent County people won a great many of the prizes at the Queen Annes County Horse Show Saturday.

Sunny Fox, the handsome bay horse owned by Wilbur Ross Hubbard, of Chestertown, was the winner Saturday of the silver cup in the point-to-point race, the most important event.

In the saddle class Mrs. Richard Carvel, of Chesertown, won the cup, and Charles Quimby's Mabel II was awarded the cup in the flat race.

The final event was the point-to-point when in full regalia the riders raced over a stretch of a mile and a half, and Wilbur Ross Hubbard. on Sunny Fox, came in ahead by a close margin.

The only mishap to mar the program was an accident which occured shortly after the beginning of the show, when the Rev. Robert Sheen, leader of Sheen's Cavalry, suffered several broken ribs and a broken collar bone when his horse fell in making a hurdle.

The name of the insured under the above policy, together with other pertinent facts, is available to those interested upon inquiry, same not being publicly disclosed, due to extenuating circumstances.

This record is significant of the fair and liberal treatment displayed by this company toward its policyholders. The Mutual Benefit which has already been insuring lives for over eighty years—writes policies which are non-forfeitable from date of issue, i. e., have Cash and Loan Values the first year, and in some instances after but one semi-annual premium has been paid. Dividends are also paid at the end of the first year on all contracts.

No company has ever accomplished better results for its Policy-holders. It has always been Mutual—in name, in theory and in practice. It adhers to the Retroactive principle—keeps old policies up to date.
