KENT LADY INJURED

MRS. EMMA J. MILLER, FOR YEARS INCAPACITATED, IN SEVERELY INJURIED

Mrs. Emma J. Miller, one of Kent's most well known ladies, who has been in an incapacitated condition for several years, is in a critical condition at Easton hospital with injuries received when she was struck by an automobile driven by Oscar Pleasanton, of Queen Anne's county, in Chestertown on Saturday night. Mrs. Miller received three fractured ribs and a puncture of the right lung.

The accident occured during the carnival of the Volunteer Fire Company here, Mrs. Miller having attempted to cross the street in front of the Post-office while traffic was congested. Knocked down by Mr. Pleasanton's machine, she was taken into a drug store and later removed to the office of Dr. Harry G. Simpers, who rendered first aid. Mrs. Miller then was taken to the Easton hospital. The whole community has been greatly grieved because of this sad accident.

GOOD TREES AT COST

STATE DEPARTMENT OF FORESTRY ANNOUCES FALL SALE

The State Department of Forestry, 1411 Fidelity Building, Baltimore, Maryland, announces the issuance of its fall nursery list.

This year the reforesting stock is made up of loblolly pine, Scotch pine, arbor vitae, and Norway spruce. The prices range from one-quarter cent to one-quarter cent and the sizes from three to eighteen inches.

The roadside planting stock comprises some conifers but is mostly made up of hardwoods such as; black, willow, pin and scarlet oaks; white and green ash; black and honey locust; sweet gum, black walnut, pecan, Kentucky coffee tree, and persimmon. Prices are from five to seventy-five cents.

The fall season for conifers is very short and those desiring them should get their orders in as soon as possible. The Department, from experience, believes that the spring is better for forest planting.

Last fall and spring the Department shipped 150,000 trees to land owners of the State.

JURORS ARE DRAWN.
