...NSCRIPT ...E IN MAKE-UP.

The Chestertown Transcript goes to its readers this week with somewhat of a change in its make-up. For the present, at least, no display advertisements will appear on the first page, which will be reserved for news matter, special articles and classified advertisements. We believe both our advertisers and our readers will like the appearance of our paper better and that its sphere of usefulness will, consequently, be enlarged.

THE BISHOP PROMOTED

The Rt. Rev. John Gardner Murray, D. D., Bishop of Maryland, on Wednesday at New Orleans was elected presiding bishop and president of Council of the Protestant Episcopal Church. The election came late in the afternoon after a day of balloting. The new primate in 68 years of age, a native of Maryland and has been a bishop since 1909.

The election of Bishop Murray was sent to the House of Deputies where it met concurrence by a large majority thus ratifyng the action of the House of Bishops.

Election of the Rt. Rev. John Guardner Murray, Bishop of the Diocese of Maryland. as presiding bishop and president of the council of the Protestant Episcopal Church in America will necessitate the election of a bishop-coadjutor or suffragan bishop for the Maryland diocese, in the opinion of churchmen of the diocese.

As presiding bishop and president of the church council, Bishop Murray virtually becomes archbishop of the Protestant Epscopal Church in this country with rank comparable to that of the Archbishop of Canterbury or the Archbishop of York, in England.
