## CANNERIES TO CONSOLIDATE

CO-OPERATIVE PACKING HOUSES OF MARYLAND AND DELAWARE MAY MERGE INTO GIGANTIC BODY

Plans for the consolidation of the Maryland and Delaware co-operative tomato canneries and the organization of tomato growers of the two States into one body, through the efforts of the Tri-State Canners' Asiciation, have been announced by co-operative tomato packers.

The organization of the packing industries of the two States, embodying a complete tomato-canning merger is being looked for by many people.

Charles G. Gelder, of Princess Anne prominent agrculturist and chairman of the Tri-State Canners' Association is making preparations to call a meeting of the co-operative cannery operators soon to take further action on the merger, which was suggested at the Tri-State Canners' Association meeting last winter in Wilmington.

The 1925 tomato season in Kent county and on the Shore proved to be one of the heaviest in yields of any the farmers of both the Eastern Shore and Delaware have ever experienced. Chairman Gelder, with W. T. Derickson, director of the Bureau of Markets of the State Board of agriculture, and F. B. Bomberger, chief of the Maryland division of markets, will meet in Wilmington this month to map out a program that will embrace both organization plans and important activities of the association.

Later they will meet with a committee of Maryland and Delaware co-operative cannery men to devise means for consolidating the packers.

## HORSE RACING ON THE DECLINE

KENT COUNTY, ONCE THE PLACE OF MANY PACERS AND TROTTERS, NOW HAS BUT FEW

There is every indication of a waning interest in the breeding and training of the once famous racers which on nearby fair circuits yearly upheld the honor and prestige of Kent county. Whether this condition is due to the invention of the automobile or to the rising popularity of the runners and jumpers is not known, but certain it is that even the old-time lovers of the racing game seem to have lost interest in the game.

It is a fact that but one racing mare is left in Kent county today, and she is the property of Capt. William C. A. Thompson, who for years has taken pride in the breeding and developing of racers. Edna Hal, the captain's 5-year old pacer, with a record of 2.16¼ sire Hal B. McKnney dam Lady Thompson, is the only recognized racer left in the entire county, and there does not seem to be any probability that anyone else will enter the field to breed successors to old Smuggler, Tow Head, Bertie Sherman, Snowden M., West Morrell or Bedworth, Jr., and strange to say there are few if any of the offspring of this noble galaxy of racers left in the county.

This leaves the task of maintaining ever owned in the county to pass into other hands was the mare Princess D. owned and raced for a number of years by George Sutton, of Worton, and which is now the property of William Zebley, of Wilmington, a mare with a record of 2,13¼ made this week at Wilson, N. C., and which was sold by Mr. Sutton, who has disposed of all of his racers and gone out of business.

This leaes the task of maintaining the former prestige of the county entirely to Edna Hal, some of the most famous racers eer bred in the State were rasied in Kent county and for years there was the keenest rivalry between Edward W. Emory, of Queen Anne, the owner and breeder of the great Cyclops, Jr., and other fast ones and the owners of racers in Kent for the championshp of the Western Shore and no race ever held n the State drew a greater crowd than did the memorable struggle betwen Cyclops, Jr., and Smuggler, Jr., owned by the late John Hines, of Chestertown, which took place on old Worton fair grounds back in the eighties and which Cyclops, Jr. won.

It is believed that the approaching horse show to be held here on Armistice Day, November 11, when runners and jumpers from both Kent and Queen Anne will be among the entries, will herald the coming of the day when the runner and the jumper will be the standard-bred horse in Kent county.

### STOP THAT BACKACHE!

Many Chestertown Folks Have Found the Way.

Is a dull, nerve-racking backache wearing you out Do you feel older and slower than you should? Are you tired, weak and nervous; find it impossible to be happy, or enjoy the good times around you? Then there's something wrong and likely it's your kidneys. Why not get at the cause? Use Doan's Pills—a stimulant diuretic to the kidneys. Your neighbors recommend Doan's. Read what this Chestertown resident says:

Elmer Newton, 403 N. Cannon St., says: "If I took cold it settled in my kidneys and caused backache that interferred with my work. I also had frequent headaches and my kidneys acted irregularly, too. I used Doan's Pills from Sterling's Drug Store and they soon strengthened my back and kidneys." (Statement given January 26, 1921.)

On June 4, 1925 Mr. Newton said: "Doan's Pills have always rid me of kidney trouble. All I said in my previous statement holds good today."
