THE TRANSCRIPT

IN THESE DAYS of motor cars the faithful horse, the main method of conveyance in years gone by, has become almost a forgotten thing. There have always been many lovers of fox hunting, racing and equestrian sports in general throughout the County. This interest is beginning to revive and the Horse Show on Wednesday will afford an opportunity for the horse to display some of the many good qualities which the motor car lacks. Every true sportsman is an admirer of a good horse and the events to be staged here on Wednesday should be of interest to the public in general. In a similar event held in Queen Anne's county during the summer, our Kent horses made a splendid showing. The proceeds of the Horse Show are for the Benefit of the Health Association.

THE EFFORTS of the American Legion to raise an endowment fund for disabled soldiers is a worthy one. There is much "red tape" connected with obtaining compensation from the government for disabled soldiers and the American Legion is working to establish an endowment fund to help these unfortunate veterans during the period in which the government is making the necessary investigations The fund is also to be used to aid the widows and orphans of veterans of the World War. The minstrel show, which the local post of the American Legion, will present shortly, is for the benefit of this fund. In many parts of the county the amount allotted has been over-subscribed, in some places it has been doubled. The amount allotted to Kent county is one thousand dollars. In our opinion full co-operation should be given to this movement. Anything that can be done to relieve the suffering of those who sacrificed themselves for their country in the late war is a most worthy cause.

AWARDED BIG SUM IN CECIL

Damages of $16,500 have been awarded Miss Catherine R. Francke, a minor, as the result of a compromise in her suit against the Victory Sparkler and Speciality Company, of Elkton, Md., filed in the Circuit Court for Cecil County. Miss Francke sued to recover for personal injuries alleged to have resulted from phosphorus poisoning contracted while employed by the company in the making of fireworks. The case was heard some time ago in the Circuit Court for Caroline County and a verdict rendered in favor of the plaintiff. On appeal, the Court of appeals reversed the judgment without trial and without prejudce to the right of Miss Francke to secure compensation under the Act. This decision was subsequently modified, the Court of Appeals granting leave to Miss Francke to amend the declaration and have a new trial. William Pepper Constable and William L. Rawls were attorneys for Miss Francke.

"THE BANK WHERE YOU FEEL AT HOME."

On Carrying Checks Around

"Have you heard about the trouble Jim Sykes is in, Aunt Emmy?" asked Molly, who dearly loved to talk about her neighbors.

"Why, no," answered Aunt Emmy; "what is it?"

"Well, Aunty, you know how proud he was to get that building job from Mr. Parker. He needed the money so much. When it was finished Mr. Parker gave him a check for $3,000. Of course Jim had obligated himself to pay a lot of that out for materials and things. Well, you know what an old slow poke Jim Sykes is. Instead of taking the check to the bank right away he carried it around in his pocket and then poor Mr. Parker died. Now he must wait until Mr. Parker's estate is settled and that may be a couple of years before he can cash the check. Poor Jim, isn't it a shame?

"It's too bad," agreed Aunt Emmy, "but quite in keeping with most folks' carelessness about money. People should be prompt in depositing checks. Aside from such a serious thing as a death, an undeposited check is a nuisance to lots of people. Banks and business houses keep their books carefully balanced. If at the end of a month a check that has been issued has not been put through for collection it means a lot of unnecessary bookkeeping for the person who issued the check and for the bank.

"Then, too, there is the danger of loss. People often write their names across the back of a check and then carry it around for a day or two before banking it. An endorsed check is as negotiable as money. To be safe always indorse it to your bank. Write 'Pay to the order of ——' then the name of your bank and below that sign your name. That protects the check from being used if it should get out of your hands. But never waste any time about depositing checks you receive.

"Not after what happened to Jim and after hearing you tell me all these things, Aunty!" said Molly. "I'd be scared to keep a check a minute more than necessary."—Anne B. Aymes.

Sincerely yours,

The Third National Bank of Chestertown, Md

Don't put off hearing The New Orthophonic

Victrola

PEOPLE have never heard anything like it. You have never. There has never *been* anything like it. There is nothing to compare with it. That is why *you* should hear it.

It is here. It is an entirely new instrument. New in principle, new in construction, new patents, new cabinets.

John Philip Sousa

JOHN PHILIP SOUSA, the March King, heard the new Orthophonic Victrola play a march. He was enthusiastic. "Why gentlemen," he said, "*That's* a band!" It was the highest tribute he could have paid.

Schumann-Heink

MME. ERNESTINE SCHUMANN-HEINK said, "It is marvelous—it is grand!" Paul Whiteman, King of Jazz, said, "This instrument reproduces not only artistic music, in which it is possible clearly to distinguish every instrument, but it has made it possible for the listener to discern the individuality of each member of the orchestra.

Fritz Kreisler

KREISLER, WERRENRATH, JOURNET, and many others of the huge family of famous Victor artists have hailed the new Orthophonic Victrola as the greatest musical instrument since the invention of the first Victor.

You will agree with them. Demonstrations all this week. Come in—you are invited.
