CHRISTMAS SEASON is fast approaching and some of our merchants are ready with a fine selection of suitable Christmas articles. It is incumbent upon our people to patronize our local merchants wherever possible as they have stocked up for your convenience and for your benefit. The habit of some of our people in going to the cities to do their Christmas shopping, in our opinion is not altogether fair to our local merchants. We will have more to say on this point in our next issue.

Inge says, "Science Has Torn Into Shreds The Christian Map of the Universe." An interesting discussion on a timely topic in Sunday's BALTIMORE AMERICAN. Adv.

"THE BANK WHERE YOU FEEL AT HOME."

On Carrying Checks Around

"Have you heard about the trouble Jim Sykes is in, Aunt Emmy?" asked Molly, who dearly loved to talk about her neighbors.

"Why, no," answered Aunt Emmy; "what is it?"

"Well, Aunty, you know how proud he was to get that building job from Mr. Parker. He needed the money so much. When it was finished Mr. Parker gave him a check for $3,000. Of course Jim had obligated himself to pay a lot of that out for materials and things. Well, you know what an old slow poke Jim Sykes is. Instead of taking the check to the bank right away he carried it around in his pocket and then poor Mr. Parker died. Now he must wait until Mr. Parker's estate is settled and that may be a couple of years before he can cash the check. Poor Jim, isn't it a shame?

"It's too bad," agreed Aunt Emmy, "but quite in keeping with most folks' carelessness about money. People should be prompt in depositing checks. Aside from such a serious thing as a death, an undeposited check is a nuisance to lots of people. Banks and business houses keep their books carefully balanced. If at the end of a month a check that has been issued has not been put through for collection it means a lot of unnecessary bookkeeping for the person who issued the check and for the bank.

"Then, too, there is the danger of loss. People often write their names across the back of a check and then carry it around for a day or two before banking it. An endorsed check is as negotiable as money. To be safe always indorse it to your bank. Write 'Pay to the order of ——' then the name of your bank and below that sign your name. That protects the check from being used if it should get out of your hands. But never waste any time about depositing checks you receive.

"Not after what happened to Jim and after hearing you tell me all these things, Aunty!" said Molly. "I'd be scared to keep a check a minute more than necessary."—Anne B. Aymes.

Sincerely yours,
The Third National Bank of Chestertown, Md

Do you want to increase your mortgage?

Do you want to take up your present mortgage and use the amortization plan to save yourself interest? Do you want to get more money than the other fellow will let you have?

Before you borrow, investigate our plan. It will cost you nothing to learn. When we approve your loan our check comes to you for the exact amount of your mortgage. Nothing deducted for stock, bonuses or fees. No interest payable in advance. Our plan is more satisfactory, and cheaper.
