Mr. Gordy's candidacy, as far as we can learn, is simmering but may burst into a full campaign flame at any time. Then there are rumers afloat that a compromise may be effected and a state primary avoided. We do not, however, put much faith in the compromise talk. The matter has gone too far, we believe, for a compromise and it looks to us that a primary fight will be the result.

When you entertain at home—and the sumptuous feast has been greeted with royal praise by the laughing, pledging friends —have a Camel!

WHEN invited guests come in for dinner. And the festive board resounds with joyous words of friendship. When the primest feast ever served is finished—then, how welcome are those words of hospitality—"*Have a Camel!*"

For no other cigarette was ever so fitly smoked and served to others as Camel. Camel goodness insures a fitting climax to every perfect spread, adds of its own fragrant welcome to every home's bright occasions. Camels are made of the choicest tobaccos grown in all the world. They never tire the taste, never leave a cigaretty after-taste. Fragrance and mellowness have made Camel the greatest word in all the history of smoking.

So this night, as you learn anew the joys of giving happiness to others. As after-dinner laughter rings out through all the house—know then the pleasures of smoking and serving the finest. You may be doubly sure that every good feature is rolled into Camels that anyone ever searched for in a cigarette.

Have a Camel!

Into the making of this one cigarette goes all of the ability of the world's largest organization of expert tobacco men. Nothing is too good for Camels. The choicest Turkish and domestic tobaccos. The most skilful blending. The most scientific package. No other cigarette made is like Camels. No finer cigarette can be made. Camels are the overwhelming choice of experienced smokers.

Our highest wish, if you do not yet know Camel quality, is that you try them. We invite you to compare Camels with any cigarette made at any price.

THE announcement of former Senator J. H. C. Legg, of Centreville for the State Senate has caused somewhat of a stir in Queen Annes politics. Senator Dudley Roe annunced his candidacy sometime ago for re-election. It has been rumored for some weeks that Mr Legg would probably be Senator Roe's opponent in the priminaires for the State Senate in that county.
