SIXTEEN LINCHINGS IN 1926

Mississippi led the states of the Union in number of persons lynched in 1925. Six persons met death in that commonwealth at the hands of mobs, reports compiled by Tuskee Institute show. The total number of lynchings for the year was 16, the same number as for the year 1924.

Florida and Georgia recorded two lynchings each, while one each was reported from Alabama, Arkansas, Louisiana, Missouri, Utah and Virginia.

This number is 17 less than during the year 1923 and 41 less than for 1922. Two of the victims were insane, the report shows, while three had been released by the courts. Ten of the persons lynched were taken from the hands of the law, says report, two being taken from jail and eight from officers of the law outside the jail.

OH! MY BACK!

Aching Backs Make Life Miserable For Many Chestertown People

It isn't right to suffer day in and day out with dull, unceasing backache. Or be utterly miserable with sharp stabs of pain whenever you stoop or lift. But chances are you will suffer these tormenting aches and pains as long as your weakened kidneys are neglected. You may have headaches, too, spells of dizziness and urinary disorders. Then use Doan's Pills—a stimulant diuretic to the kidneys. Experiences of Chestertown people prove the merit of Doan's.

W. R. Bowers, carpenter, 424 W Cannon St., Chestertown, says: "A cold settled in my kidneys and caused a constant, dull hurting in the small of my back. When I stooped or lifted anything, a sharp catch seized me and it was hard to straighten up. The kidney secretions passed too freely at night and I was subject to headaches and dizzy spells, too. After using Doan's Pills from Toulson's Drug Store, all symptoms of kidney trouble left and I have enjoyed good health ever since."
