[RCA Authorized Dealer]

307 HIGH STREET

We are glad to announce that we have been selected by the Radio Corporation of America to sell and service Radiolas, RCA Loudspeakers and RCA Accessories.

"Radiolas" range from two to eight tubes and are priced from $15 to $575.

RCA Loudspeakers include the horn and cone type and range from $18 to $245.

RCA tubes—"Radiotrons"—are the standard vacuum tubes: produced in the same plants that make your reliable Mazda lamps. The feature of this line is the UX power tube which gives great volume without distortion.

Before you buy your new receiving set, come in to see and hear a Radiola.

Convenient time payments may be arranged.

DEATHS

Mrs. Emily F. Clift

"Oh eloquent, just and mighty death! what none hath dared, thou hast done." Do we comprehend? Is there silence? No, we listen, and a voice within us echoes that undisputed truth "Man, thou shalt never die." Yes, we listen, while the distant bells toll the requiem of another soul that has paid the price and passed into the dreamless shades of the Great Unknown. Victor Hugo, with his last breath, whispered—"This is not death, 'tis the passing into a new life."

Thus, at 8.00 A. M., Sunday, January 17, 1926, when the fading stars of morning sang together the song of our great immortality, Mrs. Emily F. Clift, in her Ninety-first year, at the home of her daughter, Mrs. Ida A. Prettyman, closed her eyes to the awakening day—to the scenes of her childhood—to the old home wherein memories revealed the joys of the "long ago"—and, with wonderful peace, had the Unseen Hand usher her glorified spirit into the realms of Heavenly Bliss.

No doubt in recent years—her "sun-set of life"—she oft times felt that she could see before her the sun rising on the Everlasing Hills, and with the poet,

"Thought of stepping on shore
and finding it Heaven;
Of taking hold of a hand and
finding it God's hand;
Of breathing new air and finding it Immortality;
Of waking up and finding it
HOME."

She was a mother—a mother with all the attributes the word implies—a mother of whom her Creator must have felt proud, "so full of soul, power and beauty was the conception." A woman of more than ordinary intelligence; and a friend to whom the community extended unqualified love and reverence.

She was born near Galena, April 20, 1835. Her parents being William and Lydia Eliason Miller. The late William T. and Elijah Miller being brothers. She married William Armstrong of Galena, to which union was born one child, Ida. Mr. Armstrong died in 1862. Her second marriage was to Dr. Frances Clift, of Sassafras, who lived but a few years. Subsequently, she taught school in this county (Kent) for a number of years. After the marriage of her daughter Ida to Rev. A. P. Prettyman of the Wilmington M. E. Conference, she gave up teaching, and for the last forty years has made her home with this family.

She was a member of the M. E. Church since childhood—no one being more devout or more obedient to the doctrines she espoused. Who can question the destiny of one whose dream has ever been the attainment of Everlasting Life? She trod the path that led unto the Pearly Gate—has now entered, and "looking backward" beholds without —the world forsaken, old;

But here within the enchanted
door,
The mists of Time are backward
rolled,
And creeds and ages are no
more,
Where all the human hearted
meet
In one Communion vast and
sweet.

Time will roll onward, leaving the years to heal the wound; but the prayers of a "Mother" will ever remain with the "the loves" of her life, her children—Ida, the daughter; A. Raymond, the Grandson; and the great Grandchildren, Louise, Alice and Ethel Lee.

She was buried in the Galena Cemetery, Tuesday afternoon, January 19, 1926.

BRICE'S MILL

Bake things he likes with FLAVO FLOUR. It's healthful and tissue building. There is more nutrition and a sweeter taste in FLAVO FLOUR. It is made with a new process by the most modern mill in the world. Nature's food values and the delicious flavor of the wheat are not milled out as they are by other methods. FLAVO FLOUR is milled at home from home wheat. It is good. Buy it and patronize Home Industry.
