SPORTING EVENTS OF THE WEEK

Washington Wins Great Basket Ball Game--- Mt. St. Mary's Edges Out Washington---Other Sporting Events.

In the hardest fought and most bitterly contested basketball game played here since the memorable and historic contest in 1917, when the leaders in the score changed four times in the last ten minutes, Washington College defeated Juniata College of Huntington, Penna., Saturday night on the local floor, before a large crowd by a score of 25-17.

Juniata, after having defeated practically all the state quints, in somewhat handy style, went into the game with confidence and started in to give the same dose to the local college quint. In short order they held a substantial lead of 8-3 and it seemed that Washington must hustle or be swamped.

But Carroll began to work his marvelous cut for the basket with effect and, Juniata unable to stop him, fouled him repeatedly. Then Carroll showed marvelous work on the foul strip and soon put the local quint into the lead although the first half ended 17-15, with Washington on the long end of the score.

The second half opened with a rush, but Juniata was unable to get into the lead again, they tried in every way imaginable to top the flying Collegians. Time after time they deliberately fouled the Washington boys in order to prevent them scoring when it seemed certain they would do so.

The second half was played in a continuous uproar, with Juniata playing desperately to win, but with Washington always holding the upper hand.

Washington College lost a heart breaking contest to Mt. St. Marys at Emmitsburg on Monday night, after they had swamped them here about a week before that date. The score was 18-17.

Snyder, a newcomer to the Mount St. Mary's quintet, proved the hero of the hour. It was his field goal in the last 13 seconds which gave the local team the single-point decision. The Flying Pentagon had held the margin from the first whistle and were leading by a single point at the final minute. At the last tap-off, Snyder sneaked under the basket and tallied the winning goal.

The Washington cagers stepped away in the front at the start on a free throw by Carroll. The college rivals both took a defensive stand and specialized in team play. But neither could break through to talley often and the Flying Pentagon had a 4 advantage at half time.

With Seib leading the scoring attack, the Washington College quint met each Mount St. Mary's attack and maintained its slight margin until near the end of the contest. Kerrigan, who was the chief threat of the victors, cut through the Shoremen's defense to tie the count at 16-all, but Cavanaugh's foul again gave the visitors the edge.

This single point looked big as the Washington teamwork and passing seemed to certain to carry it through to the end. But after a scrimmage Snyder took a pass from Abbey and sunk a goal which turned the tide just as the whistle blew.

Playing in fine form at Westminster on Tuesday night, the Washington college quint took an easy 22-14 victory from the Western Maryland College team. The Green Terrors, who had played so magnificently here a few weeks ago when they won somewhat easily from Washington, were outclassed from start to finish. They never had a chance from the very first whistle.

It was sweet revenge for Washington boys, and they took advantage of their opportunity.

The Flying Pentagon stepped out in front at the start and was never seriously threatened. Brilliant guarding by E. Williams and Weigle enabled the Western Marylanders to save themselves from a more humiliating reverse. Besides playing a stellar defensive game, Weigle registered two of the losers three field goals in the second half.

Keeping on the offensive from the first whistle, the Shoremen packed away a 9-6 margin at the half. Otto Broll, individual high scorer of the State college ranks, was held to a single goal from the floor. All of Western Maryland's other tallies in the first half were the results of free throws.

Carroll was in fine form and caged the ball three times and scored six times from the foul strip.

WHY SUFFER SO?

Get Back Your Health as Other Chestertown Folks Have Done.

Too many people suffer lame, aching backs, distressing kidney disorders nd rheumatic aches and pains. Often his is due to faulty kidney action and there's danger of hardened arteries, dropsy, gravel or Bright's disease. Don't let weak kidneys wear you out. Use Doan's Pills before it is too late! Doan's are a stimulant diuretic to the kidneys. Doan's have helped thousands. Here is one of many Chestertown cases:

Mrs. R. J. Matthews, 114 S. Cross St., says: "I was annoyed with a dull hurting in my kidneys and when I swept or dusted, such sharp catches ook me I could hardly get up or down tired quickly and felt worn out. Headaches and dizzy spells also annoyed me. My kidneys were weak and acted too freely and this caused the trouble. I purchased Doan's Pills at Toulson's Drug Store and they cured me. I have enjoyed good health ever since."

You've got the goods, Prince Albert

DON'T I know? Didn't I cross the burning sands in search of pipe-contentment? And then *you* loomed up, like an oasis in the Desert of Doubt. Cool and refreshing, you were, Prince Albert. I'll never forget that first meeting.

Why, you just had everything I wanted in a pipe tobacco. You came zooming up the stem like a breeze through the date palms. You were fragrant as frankincense. You were friendly to my tongue and throat, refusing to mistreat them.

You're still sheik of the smoke-tribe, Prince Albert. I'm FOR you a hundred per cent. You and my trusty jimmy-pipe go with me everywhere, smoothing out the wrinkles in the roadway of life. The tongue you've been so kind to will always speak a good word in return.

Maybe there are some other chaps roaming the hot-pipe desert, at the mercy of the bedouins of bite and the pirates of parch. I hope they are listening in. I'm putting on all the power I've got to tell them what a lot of comfort is waiting for them in the tidy red tins marked "Prince Albert."

P. A. is sold everywhere in tidy red tins, pound and half-pound tin humidors, and pound crystal-glass humidors with sponge-moistener top. And always with every bit of bite and parch removed by the Prince Albert process.

PRINCE ALBERT
