### IN MEMORIAM

Of our dear Husband and Father John Ward, who departed this life 2 years ago February 23, 1923.
Three sad years with all its changes,

Since death sadly bade us part,
But dear Husband with all its changes
Can not take you from our heart.
There is not a day dear husband,
That we do not think of you.
Just these lines of sweet remembrances,

Just a memory ever true.
Days of sadness oft comes o'er us.
Years in silence often flow.
Love will always keep you near us.
Though you left us three years ago
By his loving wife,
ELLA WARD.

"LABOR to keep alive in your breast that little spark of celestial fire—conscience."

In these worde George Washington expressed the modern conception of the word "Service" as it applies to all things, including business.

The business that does not imbue its every action and transaction with "conscience" does not really serve. And the business that does not really serve does not really thrive.

To be considerate; to deal fairly with all; to render Service in its broadest sense is the policy upon which we make our appeal for your patronage.
