Balmy June Heat at a Turn of the Dial

Ideal

ARCOLA

Hot Water Radiator Heat

You simply set your dial hand on the ARCOLA and you have just the degree of warmth that you want, day or night. And you have clean, soft, hot water radiator heat—the most healthful that modern heating science attains. One filling lasts 8 to 16 hours depending on the weather. Burns coal, coke, wood, oil or gas, and far less of it than by any other device.

Great demand has enabled much lower cost and prices. *No cellar necessary.* Write Dept. S today for catalog, full details (free). Our 10-months-to-pay plan puts Ideal ARCOLA Hot Water Radiator Heat within everyone's reach.

THE BETTER MAN WITHIN

By The Bentztown Bard

Not the battle on the outposts of the reeling surge and strife,
But the battle down within us, that's the great campaign of life.
Oh, the struggle of the evils to possess us from without
If the better man within us fails to meet them with a shout;
Fails to stand resistant ever to temptations and to force.
Brave to go straight onward ever in a clean and honest course.

Though the rough outside may shock men and their word be plain and vile.
We can scorn their testy carpings, we can lift our heads and smile,
When we feel that down within us all the time we're struggling on
For the forthright will to conquer inner weakness with the scorn
Of all littleness and meanness, just one roaring faith and fight
For the conquest of the evil and the beauty of the right!

There's a better man within us everywhere and all the time,
Though our eyes be lit with evil and our faces marked with crime;
Nothing ever lost and hopeless that the sunshine cannot sink
To the deeps to purge the poison and to save us from the brink:
And the noblest and most valiant of all battles here and now
Is the struggle for endurance as our weary way we plough!

Rev. N. O. Gibson, pastor of Christ M. P. Church, Chestertown, for the past six years, is being mentioned as president of the Maryland Conference of the M P. Church. Rev. Gibson is one of the most popular ministers of this county and has been unanimously invited to return here next year.

St. James and Lynch M. P. Church

Back again we come with the hope and intent that we will be able to gather this week in our respective places of worship, and for the membership meeting that was postponed by local weather conditions from Monday evening, March 8. This meeting will be held at the conclusion of a brief period of worship. And the pastor urges that all members be present in as much as the delegate to the Annual Conference will be elected at that time; alternate and the Boards of Trustees and Stewards will also be elected. It is imperative that all have a voice in this meeting who hold franchise. The Sabbath School will convene at 10.30 a. m.; and the pastor will preach at the 11.30 Preaching sevvice on the theme "The Christian Standard." The last quarterly conference will be held at the parsonage on Monday evening at 7.30 p. m., and all official members should regard it as their duty to be present. The service at Lynch last Sabbath was encouraging, both in attendance and interest, and we feel warrants a continuation at this Sabbath services, with the Sabbath School at 2.30 p. m., and the Hour of Worship at 3 p. m. Rev. L. Colvin Randall, Pastor.

—The oyster season thus far has been almost a failure, according to some oystermen. They estimate the catch by dredgers, whose season closed Monday night, to be forty per cent. of last year, or only 200,000 bushels, and said that it would have been far better financially if not an oyster had been caught. The quality, they think, was as poor as the quantity; mussels covered the oysters and many were smothered. It was necessary to shuck a bushel and a half to obtain a gallon. The rule has always been a "gallon to the bushel."
